# THIS IS NOT A BOOK

Hail Eris! All Hail Discordia!

This little book is the bible of Discordianism . . . the worship of Eris, the goddess of Chaos. Many have said that the *Principia Discordia* is impossible to find. But if that's true, what are you looking at, a cabbage?

First I must sprinkle you with fairy dust.

*Question authority.* All Discordians are prohibited from believing anything they read. Including this. Learn about The Law Of Fives, The Gospel According To Fred, The Epistle To The Paranoids, St. Gulik, The Sacred Chao, The Book of Uterus, The Curse of Greyface, and how to start your own Discordian cabal.

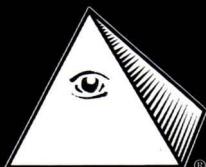

Fnord.

This great “cult classic” originally appeared in 1965. This new edition was published by Steve Jackson, creator of the *Illuminati* game, as a tribute to the first Discordians. It adds 20 pages of new material, as revealed by Eris to her faithful worshipers when they probably should have been mowing the lawn or something.

# INTRODUCTION

By Steve Jackson

## I.

I love this book. I found a copy at a friend's house, years and years ago. I had to beg and grovel before he'd let me borrow it. He said he'd already lost four copies that way . . . I kept groveling, and I got the book, and lo, I was enlightened. And I didn't give it back until I had gotten a copy of my own. So there.

Then I read the *Illuminatus!* trilogy, which draws very heavily from *Principia Discordia*, and goes in all directions from there. (If you've read *Illuminatus!* but not *Principia*, you know nothing yet. Nothing.)

Then Dave Martin and I shared a couple of bottles of wine and babbled madly about an Illuminati game, and lo and behold I wrote it and he painted the cover, and it was pretty good, if I say so myself.

And so it all comes back to the *Principia*. Fnord.

## II.

I *really* love this book. It's incredibly funny. Parts of it are incredibly stupid. But there's also a consistent, coherent philosophy here, and if enough people got it, got even a *clue* about it, the world would be a better place. And a lot more interesting, too.

Different pages speak to different people. The page that spoke to me was *The Curse of Greyface*:

"To choose order over disorder, or disorder over order, is to accept a trip composed of both the creative and destructive. But to choose the creative

over the destructive is an all-creative trip composed of both order and disorder."

## III.

Think good thoughts about the people who helped put this book in your hands. Greg Hill (Malaclypse the Younger) and Kerry Thornley (Omar Khayyam Ravenhurst) were the ones who originally committed the *Principia*, and put it in the public domain so everybody could get in on the fun. Good on them.

Robert Shea – Eris rest his gentlemanly soul – and Robert Anton Wilson used a lot of *Principia* material in their *Illuminatus!* trilogy. When *Illuminatus!* became a cult classic, the Word of Eris spread wider and wider. (A lot of people still think the *Principia* is imaginary, and that Shea and Wilson just made up the quotes in their chapter headings. But then, a lot of people think the government is there to help you.)

And the people at Loompanics brought *Principia* back into print when nobody could find it at all. Good on *them*, too.

## IV.

Still, this book is *too damned hard to find*. The Loompanics edition is still in print (so buy it). Kerry Thornley's IllumiNet Press<sup>1</sup> has an edition out, too (so buy it). But never, ever have I walked into a bookstore and found one on the shelf. Well, we're going to fix that.<sup>2</sup>

## V.

But, still. Why in the name of St. Gulik is a *game company* printing a new edition of the *Principia Discordia*? Well, why not? Since every Discordian is a Pope, every Discordian is authorized to publish the *Principia*. We said we were going to do it, and nobody turned us into Precious Mao Buttons or even cabbages. So we did it.

It got so weird that we invited everyone to play. We put the word out to our Faithful Gaming Geek readers, and to the net, and in a couple of other places you're not cleared to know about fnord. And, Eris protect us, we were *buried* in Stuff. Some of it was wonderful. Some of it was great but not really Discordian, in our not-so-humble opinions. Some of it was fishwrap. Some of it we never COULD figure out. And every time we opened an envelope, we laughed like loons.

And we put it together, and here it is, and actually, it's not half bad. All the new stuff, like the original *Principia*, is public domain. If you decide it's time for *you* to do the *Principia*, have fun.

And, Eris willing, we may just do this again. (Maniacal laughter.) Somebody on the net suggested that we should put together a whole new sequel to the *Principia* - an *Apocrypha Discordia*, if you will. And if we get enough high weirdness in the true Discordian spirit, it'll happen. (And if we don't, it won't.)<sup>3</sup>

Wanna play? Visit us on the web at [www.sjgames.com/principia/apocrypha/](http://www.sjgames.com/principia/apocrypha/) for the ground rules, whatever they happen to be at the time.

## VI.

(What? A sixth part?)

(Why not? 2 times 3 is six. Besides, it's my introduction, and I can give it nine-and-a-half parts if I want to.)

## IX 1/2.

You didn't buy this book to read *my* drivel. Turn the page and read Mal's drivel instead.

### 2004 Footnotes:

1. Thornley is no longer with us, and I can no longer find any website either for his IllumiNet Press or for his own life story. Just broken links. This is very sad.

2. It worked. Earlier printings of this book DID make it into mainstream bookstores. Mwa-ha-haaa! And lo, the Web has changed many things. Amazon.com, as of this writing, has copies of the SJ Games edition, the Loompanics edition, and the IllumiNet edition. Collect 'em all, boys and girls.

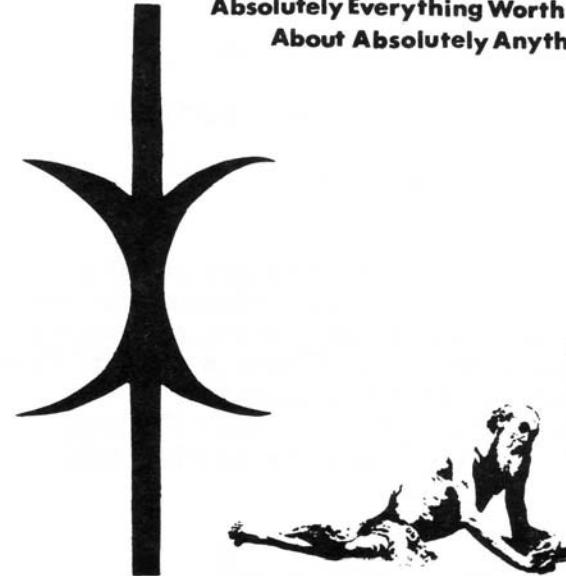

3. We got some interesting responses, but not enough to create a book. But we've still got the folder of Stuff, and if you send us something for it, who knows?

GREATER POOP: Are you really serious or what?

MAL-2: Sometimes I take humor seriously. Sometimes I take seriousness humorously. Either way it is irrelevant.

GP: Maybe you are just crazy.

M2: Indeed! But do not reject these teachings as false because I am crazy. The reason that I am crazy is because they are true.

M2: To dissolve them.

GP: Will you develop that point?

M2: No.

GP: Is there an essential meaning behind POEE?

M2: There is a Zen Story about a student who asked a Master to explain the meaning of Buddhism. The Master's reply was "Three pounds of flax."

## THE FIVE COMMANDMENTS (THE PENTABARF)

The PENTABARF was discovered by the hermit Apostle Zarathud in the Fifth Year of The Caterpillar. He found them carved in gilded stone, while building a sun deck for his cave, but their import was lost for they were written in a mysterious cypher. However, after 10 wks & 11 hrs of intensive scrutiny he discerned that the message could be read by standing on his head and viewing it upside down.

## A ZEN STORY

by Camden Benares, The Count of Five  
Headmaster, Camp Meeker Cabal

A serious young man found the conflicts of mid 20th Century America confusing. He went to many people seeking a way of resolving within himself the discords that troubled him, but he remained troubled.

One night in a coffee house, a self-ordained Zen Master said to him, "Go to the dilapidated mansion you will find at this address which I have written down for you. Do not speak to those who live there; you must remain silent until the moon rises tomorrow night. Go to the large room on the right of the main hallway, sit in the lotus position on top of the rubble in the northeast corner, face the corner, and meditate."

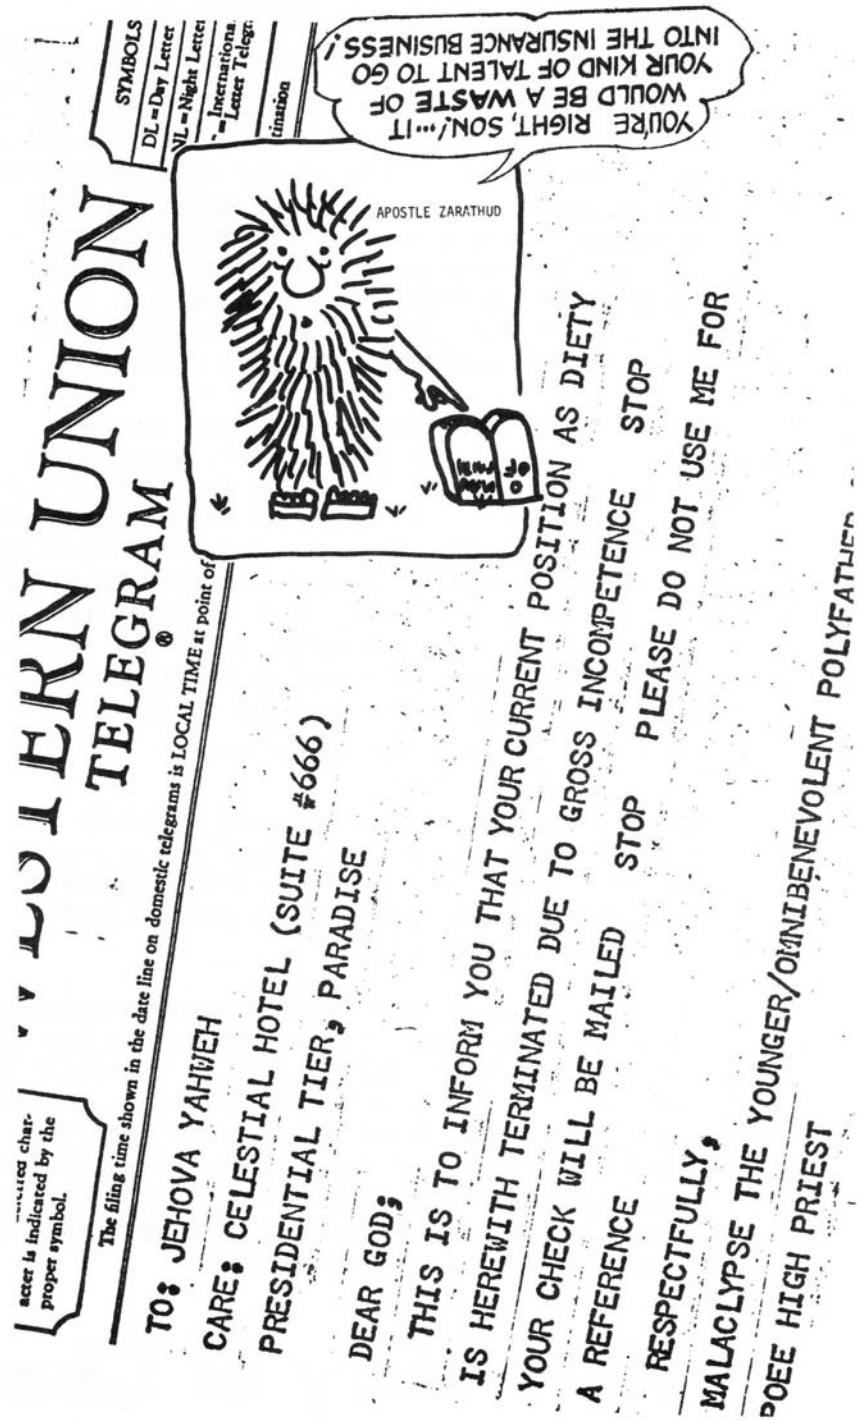

He did as the Zen Master instructed. His meditation was frequently interrupted by worries. He worried whether or not the rest of the plumbing fixtures would fall from the second floor bathroom to join the pipes and other trash he was sitting on. He worried how would he know when the moon rose on the next night. He worried about what the people who walked through the room said about him.

His worrying and meditation were disturbed when, as if in a test of his faith, ordure fell from the second floor onto him. At that time two people walked into the room. The first asked the second who the man sitting there was. The second replied "Some say he is a holy man. Others say he is a shithead."

Hearing this, the man was enlightened.

## - THE BIRTH OF THE ERISIAN MOVEMENT -

### THE REVELATION

Just prior to the decade of the nineteen-sixties, when Sputnik was alone and new, and about the time that Ken Kesey took his first acid trip as a medical volunteer; before underground newspapers, Viet Nam, and talk of a second American Revolution; in the comparative quiet of the late nineteen-fifties, just before the idea of RENAISSANCE became relevant....

Two young Californians, known later as Omar Ravenhurst and Malaclypse the Younger, were indulging in their habit of sipping coffee at an allnight bowling alley and generally solving the world's problems. This particular evening the main subject of discussion was discord and they were complaining to each other of the personal confusion they felt in their respective lives. "Solve the problem of discord," said one, "and all other problems will vanish." "Indeed," said the other, "chaos and strife are the roots of all confusion."

FIRST I MUST SPRINKLE YOU  
WITH FAIRY DUST

Suddenly the place became devoid of light. Then an utter silence enveloped them, and a great stillness was felt. Then came a blinding flash of intense light, as though their very psyches had gone nova. Then vision returned.

The two were dazed and neither moved nor spoke for several minutes. They looked around and saw that the bowlers were frozen like statues in a variety of comic positions, and that a bowling ball was steadfastly anchored to the floor only inches from the pins that it had been sent to scatter. The two looked at each other, totally unable to account for the phenomenon. The condition was one of suspension, and one noticed that the clock had stopped.

10. The Earth quakes and the Heavens rattle;  
the beasts of nature flock together and the  
nations of men flock apart; volcanoes usher up

HBT; The Book of Predictions, Chap. 19

-2-

no girdle ever cured  
a pregnancy

There walked into the room a chimpanzee, shaggy and grey about the muzzle, yet upright to his full five feet, and poised with natural majesty. He carried a scroll and walked to the young men.

"Gentlemen," he said, "why does Pickering's Moon go about in reverse orbit? Gentlemen, there are nipples on your chests; do you give milk? And what, pray tell, Gentlemen, is to be done about Heisenberg's Law?" He paused. "SOMEBODY HAD TO PUT ALL OF THIS CONFUSION HERE!"

And with that he revealed his scroll. It was a diagram, like a yin-yang with a pentagon on one side and an apple on the other. And then he exploded and the two lost consciousness.

### ERIS - GODDESS OF CHAOS, DISCORD & CONFUSION

They awoke to the sound of pins clattering, and found the bowlers engaged in their game and the waitress busy with making coffee. It was apparent that their experience had been private.

They discussed their strange encounter and reconstructed from memory the chimpanzee's diagram. Over the next five days they searched libraries to find the significance of it, but were disappointed to uncover only references to Taoism, the Korean flag, and Technocracy. It was not until they traced the Greek writing on the apple that they discovered the ancient Goddess known to the Greeks as ERIS and to the Romans as DISCORDIA. This was on the fifth night, and when they slept that night each had a vivid dream of a splendid woman whose eyes were as soft as feather and as deep as eternity itself, and whose body was the spectacular dance of atoms and universes. Pyrotechnics of pure energy formed her flowing hair, and rainbows manifested and dissolved as she spoke in a warm and gentle voice:

I have come to tell you that you are free. Many ages ago, My consciousness left man, that he might

00008

develop himself. I return to find this development approaching completion, but hindered by fear and by misunderstanding.

You have built for yourselves psychic suits of armor, and clad in them, your vision is restricted, your movements are clumsy and painful, your skin is bruised, and your spirit is broiled in the sun.

*I am chaos. I am the substance from which your artists and scientists build rhythms. I am the spirit with which your children and clowns laugh in happy anarchy. I am chaos. I am alive, and I tell you that you are free.*

During the next months they studied philosophies and theologies, and learned that ERIS or DISCORDIA was primarily feared by the ancients as being disruptive. Indeed, the very concept of chaos was still considered equivalent to strife and treated as a negative. "No wonder things are all screwed up," they concluded, "they have got it all backwards." They found that the principle of disorder was every much as significant as the principle of order.

With this in mind, they studied the strange yin-yang. During a meditation one afternoon, a voice came to them:

*It is called THE SACRED CHAO. I appoint you  
Keepers of It. Therein you will find anything you  
like. Speak of Me as DISCORD, to show contrast to  
the pentagon. Tell constricted mankind that there  
are no rules, unless they choose to invent rules.  
Keep close the words of Syadasti: 'TIS AN ILL WIND  
THAT BLOWS NO MINDS. And remember that there is no  
tyranny in the State of Confusion. For further in-  
formation, consult your pineal gland.*

"There are trivial truths & there are great truths." The opposite of a trivial truth is plainly false. The opposite of a great truth is also true." - Niels Bohr

## I HEAR MUSIC!

00009

"What is this?" mumbled one to the other, "A religion based on The Goddess of Confusion? It is utter madness!"

And with those words, each looked at the other in absolute awe. Omar began to giggle. Mal began to laugh. Omar began jumping up and down. Mal was hooting and hollering to beat all hell. And amid squeals of mirth and with tears on their cheeks, each appointed the other to be high priest of his own madness, and together they declared themselves to be a society of Discordia, for what ever that may turn out to be.

"Did you know that there is a million bucks hidden in the house next door?"  
"But there is no house next door."  
"No? Then let's go build one!"

## ON PRAYER

Mal-2 was once asked by one of his Disciples if he often prayed to Eris. He replied with these words:

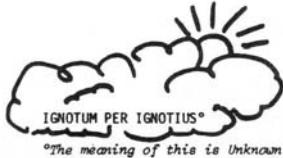

No, we Erisians seldom pray, it is much too dangerous. Charles Fort has listed many factual incidences of ignorant people confronted with, say, a drought, and then praying fervently--and then getting the entire village wiped out in a torrential flood.

### WHAT WE KNOW ABOUT ERIS (not much)

The Romans left a likeness of Her for posterity--She was shown as a grotesque woman with a pale and ghastly look, Her eyes afire, Her garment ripped and torn, and as concealing a dagger in Her Bosom. Actually, most women look pale and ghastly when concealing a chilly dagger in their bosoms.

Her genealogy is from the Greeks and is utterly confused. Either She was the twin of Ares and the daughter of Zeus and Hera; or She was the daughter of Nyx, goddess of night (who was either the daughter or wife of Chaos, or both), and Nyx's brother, Erebus, and whose brothers and sisters include Death, Doom, Mockery, Misery and Friendship. And that She begat Forgetfullness, Quarrels, Lies, and a bunch of gods and goddesses like that.

One day Mal-2 consulted his Pineal Gland\* and asked Eris if She really created all of those terrible things. She told him that She had always liked the Old Greeks, but that they cannot be trusted with historic matters. "They were," She added, "victims of indigestion, you know."

Suffice it to say that Eris is not hateful or malicious. But She is mischievous, and does get a little bitchy at times.

\*THE PINEAL GLAND is where each and every one of us can talk to Eris. If you have trouble activating your Pineal, then try the appendix which does almost as well. Reference: DOGMA I, METAPHYSICS #3, "The Indoctrine of The Pineal Gland."

## The Inside Story!

### THE LAW OF FIVES

The Law of Fives is one of the oldest Erisian Mysterees. It was first revealed to Good Lord Omar and is one of the great contributions to come from The Hidden Temple of The Happy Jesus.

POEE subscribes to the Law of Fives of Omar's sect. And POEE also recognizes the Holy 23 ( $2+3=5$ ) that is incorporated by Episkopos Dr. Mordecai Malignatius, KNS, into his Discordian sect, The Ancient Illuminated Seers of Bavaria.

The Law of Fives states simply that:  
ALL THINGS HAPPEN IN FIVES, OR ARE  
DIVISIBLE BY OR ARE MULTIPLES OF FIVE,  
OR ARE SOMEHOW DIRECTLY OR INDIRECTLY  
APPROPRIATE TO 5.

The Law of Fives is never wrong.

In the Erisian Archives is an old memo from Omar to Mal-2: "I find the Law of Fives to be more and more manifest the harder I look."

### THE MYTH OF THE APPLE OF DISCORD

It seems that Zeus was preparing a wedding banquet for Peleus and Thetis and did not want to invite Eris because of Her reputation as a trouble maker.\*

This made Eris angry, and so She fashioned an apple of pure gold\*\* and inscribed upon it KALLISTI ("To The Prettiest One") and on the day of the fete She rolled it into the banquet hall and then left to be alone and joyously partake of a hot dog.

Now, three of the invited goddesses,\*\*\* Athena, Hera, and Aphrodite, each immediately claimed it to belong to herself because of the inscription. And they started fighting, and they started throwing punch all over the place and everything.

Finally Zeus calmed things down and declared that an arbitrator must be selected, which was a reasonable suggestion, and all agreed. He sent them to a shepherd of Troy, whose name was Paris because his mother had had a lot of gaul and had married a Frenchman; but each of the sneaky goddesses tried to outwit the others by going early and offering a bribe to Paris.

Athena offered him Heroic War Victories, Hera offered him Great Wealth, and Aphrodite offered him The Most Beautiful Woman on Earth. Being a healthy young Trojan lad, Paris promptly accepted Aphrodite's bribe and she got the apple and he got screwed.

As she had promised, she maneuvered earthly happenings so that Paris could have Helen (the Helen) then living with her husband Menelaus, King of Sparta. Anyway, everyone knows that the Trojan War followed

-2-

when Sparta demanded their Queen back and that the Trojan War is said to be The First War among men.

And so we suffer because of The Original Snub. And so a Discordian is to partake of No Hot Dog Buns.

Do you believe that?

\* This is called THE DOCTRINE OF THE ORIGINAL SNUB.

\*\* There is historic disagreement concerning whether this apple was of metallic gold or acapulco.

\*\*\* Actually there were five goddesses, but the Greeks did not know of the Law of Fives.

= THE FIVE FINGERED HAND OF ERIS =

The official symbol of POEE is here illustrated. It may be this, or any similar device to represent TWO OPPOSING ARROWS CONVERGING INTO A COMMON POINT. It may be vertical, horizontal, or else such, and it may be elaborated or simplified as desired.

The esoteric name for this symbol is THE FINGERED HAND OF ERIS, commonly shortened to THE HAND.

NOTE: In the lore of western magic, the  is taken to symbolize horns, especially the horns of Satan or of diabolical beasties. The Five Fingered Hand of Eris, however, is not intended to be taken as satanic, for the "horns" are supported by another set, of inverted "horns." Or maybe it is walrus tusks. I don't know what it is, to tell the truth.

**POEE**

POEE (pronounced "POEE") is an acronym for The PARATHEO-ANAMETAMYSTIKHOOD OF ERIS ESOTERIC. The first part can be taken to mean "equivalent deity, reversing beyond-mystique." We are not really esoteric, it's just that nobody pays much attention to us.

MY HIGH REVERENCE MALACLYPSE THE YOUNGER, AB, DD, KSC, is the High Priest of POEE, and POEE is grounded in his episkopotic revelations of The Goddess. He is called The Omnibenevolent Polyfather of Virginity in Gold.

The POEE HEAD TEMPLE is the Joshua Norton Cabal of The Discordian Society, which is located in Mal-2's pineal gland and can be found by temporally and spatially locating the rest of Mal-2.

POEE has no treasury, no by-laws, no articles, no guides save Mal-2's pineal gland, and has only one scruple--which Mal-2 keeps on his key chain.

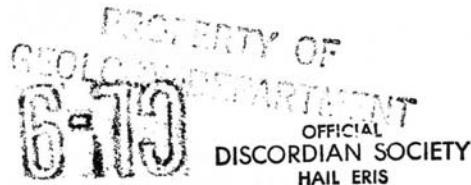

POEE has not registered, incorporated, or otherwise chartered with the State, and so the State does not recognize POEE or POEE Ordinations, which is only fair, because POEE does not recognize the State.

POEE has 5 DEGREES:

There is the neophyte, or LEGIONNAIRE DISCIPLE. The LEGIONNAIRE DEACON, who is catching on. An Ordained POEE PRIEST/PRIESTESS or a CHAPLIN. The HIGH PRIEST, the Polyfather.  
And POEE =POPE=.

POEE LEGIONNAIRE DISCIPLES are authorized to initiate others as Discordian Society Legionnaires. PRIESTS appoint their own DEACONS. The POLYFATHER ordains Priests. I don't know about the =POPES=.

## POEE & IT'S PRIESTS

If you like Erisianism as it is presented according to Mal-2, then you may wish to form your own POEE CABAL as a POEE PRIEST and you can go do a bunch of POEE Priestly Things. A "POEE Cabal" is exactly what you think it is.

The High Priest makes no demands on his Priests, though he does rather expect good will of them. The Office of The Polyfather is to point, not to teach. Once in a while, he even listens.

Should you find that your own revelations of The Goddess become substantially different than the revelations of Mal-2, then perhaps The Goddess has plans for you as an Episkopos, and you might consider creating your own sect from scratch, unhindered. Episkoposes are not competing with each other, and they are all POEE Priests anyway (as soon as I locate them). The point is that Episkoposes are developing separate paths to the Erisian mountain top. See the section "Discordian Society."

CAUTION  
INSERTS

## ORDINATION AS A POEE PRIEST

There are no particular qualifications for Ordination because if you want to be a POEE Priest then you must undoubtedly qualify. Who could possibly know better than you whether or not you should be Ordained?

An ORDAINED POEE PRIEST or PRIESTESS is defined as "one who holds an Ordination Certificate from The Office of the Polyfather."

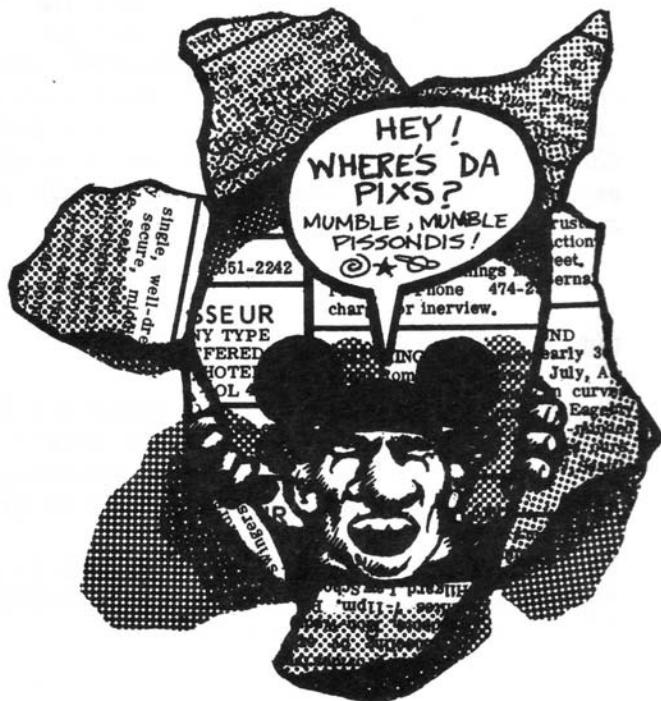

Seek into the Chao if thou wouldest be wise  
And find ye delight in Her Great Surprise!  
Look into the Chao if thou wanst to know

### HOW TO START A POEE CABAL WITHOUT MESSING AROUND WITH THE POLYFATHER

If you cannot find the Polyfather, or having found him, don't want anything to do with him, you are still authorized to form your own POEE CABAL and do Priestly Things, using the Principia Discordia as a guide. Your Official Rank will be POEE CHAPLIN for THE LEGION OF DYNAMIC DISCORD, which is exactly the same as a POEE PRIEST except that you don't have an Ordination Certificate. The words you are now reading are your ordination.

### HOW TO BECOME A POEE CHAPLIN

1. Write the ERISIAN AFFIRMATION in five copies.
2. Sign and nose-print each copy.
3. Send one to The President of the United States.
4. Send one to

# TRIP 5

## = THE POEE BAPTISMAL RITE =

This Mysteree Rite is not required for initiation, but it is offered by many POEE Priests to proselytes who desire a formal ceremony.

- 1) The Priest and four Brothers are arranged in a pentagon with the Initiate in the center facing the Priest. If possible, the Brothers on the immediate right and left of the Priest should be Deacons. The Initiate must be totally naked, to demonstrate that he is truly a human being and not something else in disguise like a cabbage or something.
- 2) All persons in the audience and the pentagon, excepting the Priest, assume a squatting position and return to a standing position. This is repeated four more times. This dance is symbolic of the humility of we Erisians.

### 3) The Priest begins:

I, (complete Holy Name, with Mystical Titles, and degrees, designations, offices, &tc.), Ordained Priest of the Paratheo-anametamystikhood of Eris Esoteric, with the Authority invested at me by the High Priest of It, Office of The Polyfather, The House of The Rising Podge, POEE Head Temple; Do herewith Require of Ye:

- 1) ARE YE A HUMAN BEING AND NOT A CABBAGE OR SOMETHING? The Initiate answers YES.
- 2) THAT'S TOO BAD. DO YE WISH TO BETTER THYSELF? The Initiate answers YES.
- 3) HOW STUPID. ARE YE WILLING TO BECOME PHILOSOPHICALLY ILLUMINIZED? He answers YES.
- 4) VERY FUNNY. WILL YE DEDICATE YESELF TO THE HOLEY ERISIAN MOVEMENT? The Initiate answers PROBABLY.

### 5) THEN SWEAR YE THE FOLLOWING AFTER ME:

(The Priest here leads the Initiate in a recital of THE ERISIAN AFFIRMATION.) The Priest continues: *THEN I DO HERE PROCLAIM YE POEE DISCIPLE (name), LEGIONNAIRE OF THE LEGION OF DYNAMIC DISCORD. HAIL ERIS! HAIL HAIL! HAIL YES!*

- 4) All present rejoice grandly. The new Brother opens a large jug of wine and offers it to all who are present.
- 5) The Ceremony generally degenerates.

THE DISCORDIAN SOCIETY

The Discordian Society has no definition.

I sometimes think of it as a disorganization of Eris Freaks. It has been called a guerrilla mind theatre. Episkopos Randomfactor, Director of Purges of Our People's Underworld Movement sect in Larchmont, prefers "The World's Greatest Association of What-ever-it-is-that-we-are." Lady Mal thinks of it as a RENAISSANCE THINK TANK. Fang the Unwashed, WKC, won't say. You can think of it any way you like.

AN EPISKOPOS OF THE DISCORDIAN SOCIETY

is one who prefers total autonomy, and creates his own Discordian sect as The Goddess directs him. He speaks for himself and for those that say that they like what he says.

THE LEGION OF DYNAMIC DISCORD:

A Discordian Society Legionnaire is one who prefers not to create his own sect.

If you want in on the Discordian Society  
then declare yourself what you wish  
do what you like  
and tell us about it  
or  
if you prefer  
don't.

There are no rules anywhere.  
The Goddess Prevails.

When I get to the bottom I go back to the top  
of the slide where I stop and I turn and I go  
for a ride, then I get to the bottom and I see  
you again! Helter skelter!

Discordians have a tradition of assuming HOLY NAMES. This is not unique with Erisianism, of course. I suppose that Pope Paul is the son of Mr. & Mrs. VI?

### THE PARABLE OF THE BITTER TEA

by

Rev. Dr. Hypocrates Magoun, P.P.  
POEE PRIEST, Okinawa Cabal

When Hypoc was through meditating with St. Gulik, he went there into the kitchen where he busied himself with preparing the feast and in his endeavor, he found that there was some old tea in a pan left standing from the night before, when he had in his weakness forgot about its making and had let it sit steeping for 24 hours. It was dark and murky and it was Hypoc's intention to use this old tea by diluting it with water. And again in his weakness, chose without further consideration and plunged into the physical labor of the preparations. It was then when deeply immersed in the pleasure of that trip, he had a sudden loud clear voice in his head saying "it is bitter tea that involves you so." Hypoc heard the voice, but the struggle inside intensified, and the pattern, previously established with the physical laboring and the muscle messages coordinated and unified or perhaps coded, continued to exert their influence and Hypoc succumbed to the pressure and he denied the voice.

And again he plunged into the physical orgy and completed the task, and Lo as the voice had predicted, the tea was bitter.

### A SERMON ON ETHICS AND LOVE

One day Mal-2 asked the messenger spirit Saint Gulik to approach the Goddess and request Her presence for some desperate advice. Shortly afterwards the radio came on by itself, and an ethereal female Voice said YES?

"O! Eris! Blessed Mother of Man! Queen of Chaos! Daughter of Discord! Concubine of Confusion! O! Exquisite Lady, I beseech You to lift a heavy burden from my heart!"

WHAT BOTHERS YOU, MAL? YOU DON'T SOUND WELL.

"I am filled with fear and tormented with terrible visions of pain. Everywhere people are hurting one another, the planet is rampant with injustices, whole societies plunder groups of their own people, mothers imprison sons, children perish while brothers war. O, woe."

WHAT IS THE MATTER WITH THAT, IF IT IS WHAT YOU WANT TO DO?

"But nobody wants it! Everybody hates it."

OH. WELL, THEN STOP.

At which moment She turned Herself into an aspirin commercial and left The Polyfather stranded alone with his species.

## CHAPTER 5: THE PIONEERS

= THE FIVE APOSTLES OF ERIS & WHO THEY BE =

### 1. HUNG MUNG

A Sage of Ancient China and Official Discordian Missionary to the Heathen Chinee. He who originally devised THE SACRED CHAO. Patron of The Season of Chaos. Holyday: Jan 5.

### 2. DR. VAN VAN MOJO

A Head Doctor of Deep Africa and Maker of Fine Dolls. D.H.V., Doctor of Hoodoo and Vexes, from The Greater Metropolitan Yorba Linda Jesus Will Save Your Bod Home Study Bible School; and F.I.H.G.W.P., Fellow of the Intergalactic Haitian Guerrillas for World Peace. Patron of The Season of Discord. Holyday: Mar 19.

NOTE: Erisians of The Laughing Christ sect are of the silly contention that Dr. Mojo is an imposter and that PATAMUNZO LINGANANDA is the True Second Apostle. Lord Omar claims that Dr. Mojo heaps hatred and curses upon Patamunzo, who sends only Love Vibrations in return. But we of the POEE sect know that Patamunzo is the Real Imposter, and that those vibrations of his are actually an attempt to subvert Dr. Mojo's rightful apostolic authority by shaking him out of his wits.

### 3. SRI SYADASTI SYADAVAKTAVYA SYADASTI SYANNASTI SYADASTI CAVAKTAVYASCA SYADASTI SYANNASTI SYADAVATAVYASCA SYADASTI SYANNASTI SYADAVAKTAVYASCA commonly called just SRI SYADASTI

His name is Sanskrit, and means: All affirmations are

true in some sense, false in some sense, meaningless in some sense, true and false in some sense, true and meaningless in some sense, false and false and meaningless in some sense. He is an Indian Pundit and Prince, born of the Peyotl Tribe, son of Gentle Chief Sun Flower Seed and the squaw Merry Jane. Patron to psychedelic type Discordians. Patron of The Season of Confusion. Holyday: May 31. NOTE: Sri Syadasti should not be confused with BLESSED ST. GULIK THE STONED, who is not the same person but is the same Apostle.

### 4. ZARATHUD THE INCORRIGIBLE, sometimes called ZARATHUD THE STAUNCH

A hard nosed Hermit of Medieval Europe and Chaosphe Bible Banger. Dubbed "Offender of The Faith." Discovered the Five Commandments. Patron of The Season of Bureaucracy. Holyday: Aug 12.

### 5. THE ELDER MALACLYPSE

A wandering Wiseman of Ancient Mediterrania ("Med-Terra" or middle earth), who followed a 5-pointed Star through the alleys of Rome, Damascus, Baghdad, Jerusalem, Mecca and Cairo, bearing a sign that seemed to read "DOOM". (This is a misunderstanding. The sign actually read "DUMB". Mal-1 is a Non-Prophet.) Patron and namesake of

APOSTLE THE ELDER MALACLYPSE

Mal-2. Patron on The Season of The Aftermath. Holyday: Oct 24.

THE HONEST BOOK OF TRUTH  
being a BIBLE of the Erisian Movement

and How It was Revealed to  
Episkopos LORD OMAR KHAYYAM RAVENHURST, KSC; Bull Goose  
of Limbo; and Master Pastor of the Church Invisible of  
The Laughing Christ, Hidden Temple of The Happy Jesus,  
Laughing Buddha Jesus [LBJ] Ranch

From The Honest Book of Truth  
THE BOOK OF EXPLANATIONS, Chapter I

1. There came one day to Lord Omar, Bull Goose of Limbo, a Messenger of Our Lady who told him of a Sacred Mound wherein was buried an Honest Book.
2. And the Angel of Eris bade of the Lord: *Go ye hence and dig the Truth, that ye may come to know it and, knowing it, spread it and, spreading it, wallow in it and, wallowing in it, lie in it and, lying in the Truth, become a Poet of the Word and a Sayer of Sayings--an Inspiration to all men and a Scribe to the Gods.*
3. So Omar went forth to the Sacred Mound, which was to the East of Nullah, and thereupon he worked digging in the sand for five days and five nights, but found no Book.
4. At the end of five days and five nights of digging, it came to pass that Omar was exhausted. So he put his shovel to one side and bedded himself down on the sand, using as a pillow a Golden Chest he had uncovered on the first day of his labors.
5. Omar slept.
6. On the fifth day of his sleeping, Lord Omar fell into a Trance, and there came to him in the Trance a Dream, and there came to him in the Dream a Messenger of Our Lady who told him of a Sacred Grove wherein was hidden a Golden Chest.
7. And the Angel of Eris bade of the Lord: *Go ye hence and lift the Stash, that ye may come to own it and, owning it, share it and, sharing it, love in it and, loving in it, dwell in it and, dwelling in the Stash, become a Poet of the Word and a Sayer of Sayings - an Inspiration to all men and a Scribe to the Gods.*
8. But Omar lamented, saying unto the Angel: *What is this shit, man? What care I for the Word and Sayings? What care I for the Inspiration of all men? Wherein does it profit a man to be a Scribe to the Gods when the Scribes of the Governments do nothing, yet are paid better wages?*
9. And, lo, the Angel waxed in anger and Omar was stricken to the Ground by an Invisible Hand and did not arise for five days and five nights.
10. And it came to pass that on the fifth night he drept, and in his Dream he had a Vision, and in this Vision there came unto him a Messenger of Our Lady who entrusted to him a Rigoletto cigar box containing many filing cards, some of them in packs with rubber bands around, and upon these cards were sometimes written verses, while upon others nothing was written.
11. Thereupon the Angel Commanded the Lord: *Take ye this Honest Book of Truth to thine bosom and cherish it. Carry it forth into The Land and lay it before Kings of Nations and Collectores of Garbage. Preach from it unto the Righteous, that they may renounce their ways and repent.*

## DO NOT BEND

### GREYFACE

In the year 1166 B.C., a malcontented hunchbrain by the name of Greyface, got it into his head that the universe was as humorless as he, and he began to teach that play was sinful because it contradicted the ways of Serious Order. "Look at all the order about you," he said. And from that, he deluded honest men to believe that reality was a straightjacket affair and not the happy romance as men had known it.

It is not presently understood why men were so gullible at that particular time, for absolutely no one thought to observe all the disorder around them and conclude just the opposite. But anyway, Greyface and his followers took the game of playing at life more seriously than they took life itself and were known even to destroy other living beings whose ways of life differed from their own.

The unfortunate result of this is that mankind has since been suffering from a psychological and spiritual imbalance. Imbalance causes frustration, and frustration causes fear. And fear makes a bad trip. Man has been on a bad trip for a long time now.

DOGMA I - METAPHYSICS #2, "COSMOLOGY"\*

THE BOOK OF UTERUS  
from *The Honest Book of Truth*  
revealed to Lord Omar

-I-

1. Before the beginning was the Nonexistent Chao, balanced in Oblivion by the Perfect Counterpushpull of the Hodge and the Podge.
2. Whereupon, by an Act of Happenstance, the Hodge began gradually to overpower the Podge--and the Primal Chaos thereby came to be.
3. So in the beginning was the Primal Chaos, balanced on the Edge of Oblivion by the Perfect Counterpull-push of the Podge and the Hodge.
4. Whereupon, by the Law of Negative Reversal,\*\* the Podge swiftly underpowered the Hodge and Everything broke loose.
5. And therein emerged the Active Force of Discord, the Subtle Manifestation of the Nonexistent Chao, to guide Everything along the Path back to Oblivion - that it might not become lost among Precepts of Order in the Region of Thud.
6. Forasmuch as it was Active, the Force of Discord entered the State of Confusion, wherein It copulated with the Queen and begat ERIS, Our Lady of Discord and Gross Manifestation of the Nonexistent Chao.
7. And under Eris Confusion became established, and was hence called Bureaucracy; while over Bureaucracy Eris became established, and was hence called Discordia.
8. By the by it came to pass that the Establishment of Bureaucracy perished in a paper shortage.
9. Thus it was, in accord with the Law of Laws.

00044

10. During and after the Fall of the Establishment of Bureaucracy was the Aftermath, an Age of Disorder in which calculation, computations, and reckonings were put away by the Children of Eris in Acceptance and Preparation for Return to Oblivion to be followed by a Repetition of the Universal Absurdity. Moreover, of Itself the Coming of Aftermath waseth a Resurrection of the Freedom-flowing Chaos. HAIL ERIS!

11. Herein was set into motion the Eristic Pattern, which would Repeat Itself Five Times Over Seventy-three Times, after which nothing would happen.

\* This doctrine should not be confused with DOGMA III - HISTORY #6, "HISTORIC CYCLES," which states that social progress occurs in five cycles, the first three ("The Tricycle") of which are THESIS, ANTITHESIS and PARENTHESIS; and the last two ("The Bicycle") of which are CONSTERNATION and MORAL WARPTITUDE.

\*\* The LAW OF NEGATIVE REVERSAL states that if something does not happen then the exact opposite will happen, only in exactly the opposite manner from that in which it did not happen.

NOTE: It is from this text from *The Book of Uterus*, that POEE has based its Erisian Calendar with the year divided into 5 Seasons of 73 days each. Each of the Five Apostles of Eris has patronage over one Season. A chart of the Seasons, Patrons, Days of the Week, Holydays, and a perpetual Gregorian converter is included in this edition of Principia.

THE FIVE ORDERS OF DISCORDIA ("THEM")  
Gen. Pandaemonium, Commanding

The seeds of the ORDERS OF DISCORDIA were planted by Greyface into his early disciples. They form the skeleton of the Aneristic Movement, which over emphasizes the Principle of Order and is antagonistic to the necessary compliment, the Principle of Disorder. The Orders are composed of persons all hung up on authority, security and control; i.e., they are blinded by the Aneristic Illusion. They do not know that they belong to Orders of Discordia. But we know.

1. The Military Order of THE KNIGHTS OF THE FIVE SIDED TEMPLE. This is for all of the soldiers and bureaucrats of the world.
2. The Political Order of THE PARTY FOR WAR ON EVIL. This is reserved for lawmakers, censors, and like ilk.
3. The Academic Order of THE HEMLOCK FELLOWSHIP. They commonly inhabit schools and universities, and dominate many of them.
4. The Social Order of THE CITIZENS COMMITTEE FOR CONCERNED CITIZENS. This is mostly a grass-roots version of the more professional military, political, academic and sacred Orders.
5. The Sacred Order of THE DEFAMATION LEAGUE. Not much is known about the D.L., but they are very ancient and quite possibly were founded by Greyface himself. It is known that they now have absolute domination over all organized churches in the world. It is also believed that they have been costuming cabbages and passing them off as human beings.

THE FOLLOWING IS QUOTED FROM BERGAN EVANS  
ON NORBERT WEINER, NUCLEAR PHYSICIST

The second concept Wiener has to establish is that of entropy. Probability is a mathematical concept, coming from statistics. Entropy comes from physics. It is the assertion--established logically and experimentally--that the universe, by its nature, is "running down", moving toward a state of inert uniformity devoid of form, matter, hierarchy or differentiation.

That is, in any given situation, less organization, more chaos, is overwhelmingly more probable than tighter organization or more order.

The tendency for entropy to increase in isolated systems is expressed in the second law of thermodynamics--perhaps the most pessimistic and amoral formulation in all human thought.

It applies however, to a closed system, to something that is an isolated whole, not just a part. Within such systems there may be parts, which draw their energy from the whole, that are moving at least temporarily, in the opposite direction; in them order is increasing and chaos is diminishing.

The whirlpools that swirl in a direction opposed to the main current are called "enclaves". And one of them is life, especially human life, which in a universe moving inexorably towards chaos moves toward increased order.

**Personal**

PLANETARY Pi, which I discovered, is 61. It's a Time-Energy relationship existing between sun and inner planets and I use it in arriving at many facts unknown to science. For example, multiply nude earth's circumference 24,902.20636 by 61 and you get the distance moon's orbit around the earth. This is slightly less than actual distance because we have not yet considered earth's atmosphere. So be it. Christopher Garth, Evanston.

Before he became a hermit, Zarathud was a young Priest, and took great delight in making fools of his opponents in front of his followers.

One day Zarathud took his students to a pleasant pasture and there he confronted The Sacred Chao while She was contentedly grazing.

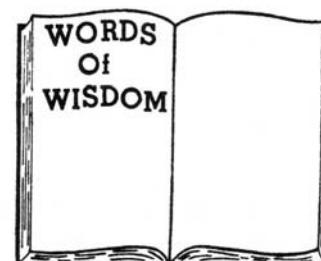

"Tell me, you dumb beast," demanded the Priest in his commanding voice, "why don't you do something worthwhile. What is your Purpose in Life, anyway?"

Munching the tasty grass, The Sacred Chao replied "MU".\*

Upon hearing this, absolutely nobody was enlightened. Primarily because nobody could understand Chinese.

## THE SACRED CHAO

MUST

The SACRED CHAO is the key to illumination. Devised by the Apostle Hung Mung in ancient China, it was modified and popularized by the Taoists and is sometimes called the YIN-YANG. The Sacred Chao is not the Yin-Yang of the Taoists. It is the HODGE-PODGE of the Erisians. And, instead of a Podge spot on the Hodge side, it has a PENTAGON which symbolizes the ANERISTIC PRINCIPLE, and instead of a Hodge spot on the Podge side, it depicts the GOLDEN APPLE OF DISCORDIA to symbolize the ERISTIC PRINCIPLE.

The Sacred Chao symbolizes absolutely everything anyone need ever know about absolutely anything, and more! It even symbolizes everything not worth knowing, depicted by the empty space surrounding the Hodge-Podge.

HERE FOLLOWS SOME PSYCHO-METAPHYSICS.  
If you are not hot for philosophy, best just skip it.

The Aneristic Principle is that of APPARENT ORDER; the Eristic Principle is that of APPARENT DISORDER. Both order and disorder are man made concepts and are artificial divisions of PURE CHAOS, which is a level deeper than is the level of distinction making.

With our concept making apparatus called "mind" we look at reality through the ideas-about-reality which our cultures give us. The ideas-about-reality are mistakenly labeled "reality" and unenlightened people are forever perplexed by the fact that other people, especially other cultures, see "reality" differently. It is only the ideas-about-reality which differ. Real (capital-T True) reality is a level deeper than is the level of concept.

We look at the world through windows on which have been drawn grids (concepts). Different philosophies use different grids. A culture is a group of people

00049

-2-

  
with rather similar grids. Through a window we view chaos, and relate it to the points on our grid, and thereby understand it. The ORDER is in the GRID. That is the Aneristic Principle.

Western philosophy is traditionally concerned with contrasting one grid with another grid, and amending grids in hopes of finding a perfect one that will account for all reality and will, hence, (say unenlightened westerners) be True. This is illusory; it is what we Erisians call the ANERISTIC ILLUSION. Some grids can be more useful than others, some more beautiful than others, some more pleasant than others, etc., but none can be more True than any other.

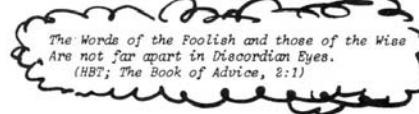

DISORDER is simply unrelated information viewed through some particular grid. But, like "relation", no-relation is a concept. Male, like female, is an idea about sex. To say that male-ness is "absence of female-ness", or vice versa, is a matter of definition and metaphysically arbitrary. The artificial concept of no-relation is the ERISTIC PRINCIPLE.

The belief that "order is true" and disorder is false or somehow wrong, is the Aneristic Illusion. To say the same of disorder, is the ERISTIC ILLUSION.

The point is that (little-t) truth is a matter of definition relative to the grid one is using at the moment, and that (capital-T) Truth, metaphysical reality, is irrelevant to grids entirely. Pick a grid, and through it some chaos appears ordered and some appears disordered. Pick another grid, and the same chaos will appear differently ordered and disordered.

Reality is the original Rorschach.

Verily! So much for all that.

  
The Words of the Foolish and those of the Wise  
Are not far apart in Discordian Eyes.  
(HBT; The Book of Advice, 2:1)

00050

The PODGE of the Sacred Chao is symbolized as The Golden Apple of Discordia, which represents the Erisitic Principle of Disorder. The writing on it, "KALLISTI" is Greek for "TO THE PRETTIEST ONE" and refers to an old myth about The Goddess. But the Greeks had only a limited understanding of Disorder, and thought it to be a negative principle.

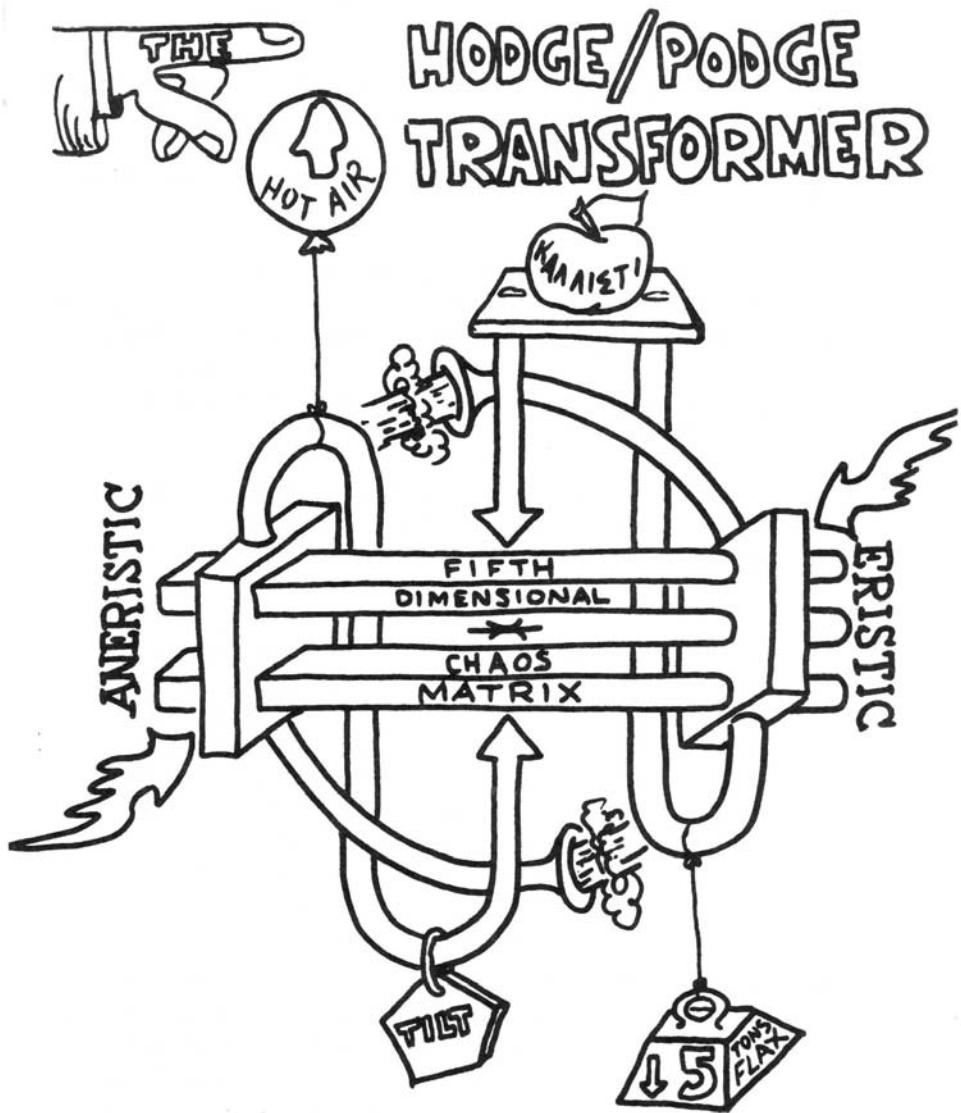

The Pentagon represents the Aneristic Principle of Order and symbolizes the HODGE. The Pentagon has several references; for one, it can be taken to represent geometry, one of the earliest studies of formal order to reach elaborate development;\* for another, it specifically accords with THE LAW OF FIVES.

*THE TRUTH IS FIVE BUT MEN HAVE ONLY ONE NAME FOR IT.  
Patamunzo Lingananda*

It also is the shape of the United States Military Headquarters, the Pentagon Building, a most pregnant manifestation of straightjacket order resting on a firm foundation of chaos and constantly erupting into dazzling disorder; and this building is one of our more cherished Erisian Shrines. Also it so happens that in times of medieval magic, the pentagon was the generic symbol for werewolves, but this reference is not particularly intended and it should be noted that the Erisian Movement does not discriminate against werewolves--our membership roster is open to persons of all races, national origins and hobbies.

\* The Greek geometrician PYTHAGORAS, however, was not a typical aneristic personality. He was what we call an EXPLODED ANERISTIC and an AVATAR. We call him Archangel Pythagoras.

## BRUNSWICK SHRINE

In the Los Angeles suburb of Whittier there lives a bowling alley, and within this very place, in the Year of Our Lady of Discord 3125 (1959\*), Eris revealed Herself to The Golden Apple Corps for the first time.

In honor of this Incredible Event, this Holy Place is revered as a Shrine by all Erisians. Once every five years, the Golden Apple Corps plans a Pilgrimage to Brunswick Shrine as an act of Devotion, and therein to partake of No Hot Dog Buns, and ruminate a bit about It All.

It is written that when The Corps returns to The Shrine for the fifth time five times over, then shall the world come to an end:

IMPENDING DOOM  
HAS ARRIVED

*And Five Days Prior to This Occasion  
The Apostle The Elder Malaclypse Shall  
Walk the Streets of Whittier Bearing a  
Sign for All Literates to Read thereof:  
"DOOM", as a Warning of Forthcoming Doom  
to All Men Impending. And He Shall Signal  
This Event by Seeking the Poor and  
Distributing to Them Precious MAO BUTTONS  
and Whittier Shall be Known as The Region  
of Thud for These Five Days.*

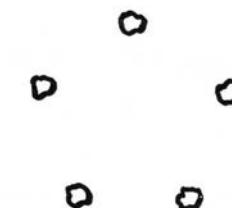

As a public service to all mankind and civilization in general, and to us in particular, the Golden Apple Corps has concluded that planning such a Pilgrimage is sufficient and that it is prudent to never get around to actually going.

## STARBUCK'S PEBBLES

Do these 5 pebbles really form a pentagon? Those biased by the Aneristic Illusion would say yes. Those biased by the Eristic Illusion would say no. Criss-cross them and it is a star.

An Illuminated Mind can see all of these, yet he does not insist that any one is really true, or that none at all is true. Stars, and pentagons, and disorder are all his own creations and he may do with them as he wishes. Indeed, even so the concept of number 5.

Brother Ram,

Your acute observation that ERIS spelled backwards is SIRE, and your inference to the effect that there is sexual symbolism here, have brought me to some observations of my own.

ERIS spelled fore-part-aft-wards is RISE. And spelled inside out is REIS, which is a unit of money, albeit Portuguese-Brazilian and no longer in use. From this it may be concluded that Eris has usurped Eros (god of erotic love) in the eyes of those who read backwards; which obviously made Eros sore. Then She apparently embezzled the Olympian Treasury and went to Brazil; whereupon She opened a chain of whorehouses (which certainly would get a rise from the male population). I figure it to be this in particular because MADAM reads the same forwards and backwards. And further, it is a term of great respect, similar to SIRE.

And so thank you for your insight, it may well be the clue to the mystery of just where Eris has been fucking around for 3125 years.

## DOGMA III - HISTORY #2, "COSMOLOGY"

which is not the same as DOGMA I - METAPHYSICS #2, "COSMOLOGY" (Book of Uterus)

In the beginning there was VOID, who had two daughters; one (the smaller) was that of BEING, named ERIS, and one (the larger) was of NON-BEING, named ANERIS. (To this day, the fundamental truth that Ameris is the larger is apparent to all who compare the great number of things that do not exist with the comparatively small number of things that do exist.)

Eris had been born pregnant, and after 55 years (Goddesses have an unusually long gestation period--longer even than elephants), Her pregnancy bore the fruits of many things. These things were composed of the Five Basic Elements, SWEET, BOOM, PUNGENT, PRICKLE and ORANGE. Aneris, however, had been created sterile. When she saw Eris enjoying herself so greatly with all of the existent things She had borne, Aneris became jealous and finally one day she stole some existent things and changed them into non-existent things and claimed them as her own children. This deeply hurt Eris, who felt that Her sister was unjust (being so much larger anyway) to deny Her her small joy. And so She made Herself swell again to bear more things. And She swore that no matter how many of her begotten that Aneris would steal, She would beget more. And, in return, Aneris swore that no matter how many existent things Eris brought forth, she would eventually find them and turn them into non-existent things for her own. (And to this day, things appear and disappear in this very manner.)

-1-

00056

At first, the things brought forth by Eris were in a state of chaos and went in every which way, but by the by She began playing with them and ordered some of them just to see what would happen. Some pretty things arose from this play and for the next five zillion years She amused Herself by creating order. And so She grouped some things with others and some groups with others, and big groups with little groups, and all combinations until She had many grand schemes which delighted Her.

Engrossed in establishing order, She finally one day noticed disorder (previous-  
ly not apparent because everything was chaos). There were many ways in which chaos  
was ordered and many ways in which it was not.

"Hah," She thought, "Here shall be a new game."

And She taught order and disorder to play with each other in contest games, and to take turns amusing each other. She named the side of disorder after Herself, "ERISTIC" because Being is anarchic. And then, in a mood of sympathy for Her lonely sister, She named the other side "ANERISTIC" which flattered Aneris and smoothed the friction a little that was between them.

Now all of this time, Void was somewhat disturbed. He felt unsatisfied for he had created only physical existence and physical non-existence, and had neglected the spiritual. As he contemplated this, a great Quiet was caused and he went into a state of Deep Sleep which lasted for 5 eras. At the end of this ordeal, he begat a brother to Eris and Aneris, that of SPIRITUALITY, who had no name at all.

When the Sisters heard this, they both confronted Void and pleaded that he not forget them, his First Born. And so Void decreed thus:

That this brother, having no form, was to reside with Aneris in Non-Being and then to leave her and, so that he might play with order and disorder, reside with Eris in Being. But Eris became filled with sorrow when She heard this and then began to weep.

"Why are you despondent?" demanded Void, "Your new brother will have his share with you." "But Father, Aneris and I have been arguing, and she will take him from me when she discovers him, and cause him to return to Non-Being." "I see," replied Void, "Then I decree the following:

"When your brother leaves the residence of Being, he shall not reside again in Non-Being, but shall return to Me, Void, from whence he came. You girls may bicker as you wish, but My son is your Brother and We are all of Myself."

And so it is that we, as men, do not exist until we do; and then it is that we play with our world of existent things, and order and disorder them, and so it shall be that non-existence shall take us back from existence and that nameless spirituality shall return to Void, like a tired child home from a very wild circus.

# Tests By Doctors Prove It Possible To Shrink

= ON OCCULTISM =

Magicians, especially since the Gnostic and the Quabala influences, have sought higher consciousness through the assimilation and control of universal opposites--good/evil, positive/negative, male/female, etc. But due to the steadfast pomposity of ritualism inherited from the ancient methods of the shaman, occultists have been blinded to what is perhaps the two most important pairs of apparent or earth-plane opposites: ORDER/DISORDER and SERIOUS/HUMOROUS.

Magicians, and their progeny the scientists, have always taken themselves and their subject in an orderly and sober manner, thereby disregarding an essential metaphysical balance. When magicians learn to approach philosophy as a malleable art instead of an immutable Truth, and learn to appreciate the absurdity of man's endeavours, then they will be able to pursue their art with a lighter heart, and perhaps gain a clearer understanding of it, and therefore gain more effective magic. CHAOS IS ENERGY.

This is an essential challenge to the basic concepts of all western occult thought, and POEE is humbly pleased to offer the first major breakthrough in occultism since Solomon.

The theorem to be proved is that if any even number of people take seats at random around a circular table bearing place cards with their names, it is always possible to rotate the table until at least two people are opposite their cards. Assume the contrary. Let  $n$  be the even number of persons, and let their names be replaced by the integers 0 to  $n - 1$  "in such a way that the place cards are numbered in sequence around the table. If a delegate  $d$  originally sits down to a place card  $p$ , then the table must be rotated  $r$  steps before he is correctly seated, where  $r = p - d$ , unless this is negative, in which case  $r = p - d + n$ . The collection of values of  $d$  (and of  $p$ ) for all delegates is clearly the integers 0 to  $n - 1$ , each taken once, but so also is the collection of values of  $r$ , or else two delegates would be correctly seated at the same time. Summing the above equations, one for each delegate, gives  $S - S + nk$ , where  $k$  is an integer and  $S = n(n - 1)/2$ , the sum of the integers from 0 to  $n - 1$ . It follows that  $n = 2k + 1$ , an odd number." This contradicts the original assumption.

"I actually solved this problem some years ago," Rybicki writes, "for a different but completely equivalent problem, a generalization of the nonattacking 'eight queens' problem for a cylindrical chessboard where diagonal attack is restricted to diagonals slanting in one direction only."

## THE CURSE OF GREYFACE AND THE INTRODUCTION OF NEGATIVISM

To choose order over disorder, or disorder over order, is to accept a trip composed of both the creative and the destructive. But to choose the creative over the destructive is an all-creative trip composed of both order and disorder. To accomplish this, one need only accept creative disorder along with, and equal to, creative order, and also be willing to reject destructive order as an undesirable equal to destructive disorder.

The Curse of Greyface included the division of life into order/disorder as the essential positive/negative polarity, instead of building a game foundation with creative/destructive as the essential positive/negative. He has thereby caused man to endure the destructive aspects of order and has prevented man from effectively participating in the creative uses of disorder. Civilization reflects this unfortunate division.

POEE proclaims that the other division is preferable, and we work toward the proposition that creative disorder, like creative order, is possible and desirable; and that destructive order, like destructive disorder, is unnecessary and undesirable.

Seek the Sacred Chao - therein you will find the foolishness of all ORDER/DISORDER. They are the same!

## ERISIAN MAGIC RITUAL - THE TURKEY CURSE

Revealed by the Apostle Dr. Van Van Mojo as a specific counter to the evil Curse of Greyface, The TURKEY CURSE is here passed on to Erisians everywhere for their just protection.

*The Turkey Curse works. It is firmly grounded on the fact that Greyface and his followers absolutely require an aneristic setting to function and that a timely introduction of eristic vibrations will neutralize their foundation. The Turkey Curse is designed solely to counteract negative aneristic vibes and if introduced into a neutral or positive aneristic setting (like a poet working out word rhythms) it will prove harmless, or at worst, simply annoying. It is not designed for use against negative eristic vibes, although it can be used as an eristic vehicle to introduce positive vibes into a misguided eristic setting. In this instance, it would be the responsibility of the Erisian Magician to manufacture the positive vibrations if results are to be achieved. CAUTION - all magic is powerful and requires courage and integrity on the part of the magician. This ritual, if misused, can backfire. Positive motivation is essential for self-protection.*

### TO PERFORM THE TURKEY CURSE:

Take a foot stance as if you were John L. Sullivan preparing for fisticuffs. Face the particular greyface you wish to short-circuit, or towards the direction of the negative aneristic vibration that you wish to neutralize. Begin waving your arms in any elaborate manner and make motions with your hands as though you were Mandrake feeling up a sexy giantess. Chant, loudly and clearly:

GOBBLE, GOBBLE, GOBBLE, GOBBLE!

The results will be instantly apparent.

A PRIMER FOR ERISIAN EVANGELISTS *by Lord Omar*

The SOCRATIC APPROACH is most successful when confronting the ignorant. The "socratic approach" is what you call starting an argument by asking questions. You approach the innocent and simply ask "Did you know that God's name is ERIS, and that He is a girl?" If he should answer "Yes." then he is probably a fellow Erisian and so you can forget it. If he says "No." then quickly proceed to:

THE BLIND ASSERTION and say "Well, He is a girl, and His name is ERIS!" Shrewdly observe if the subject is convinced. If he is, swear him into the Legion of Dynamic Discord before he changes his mind. If he does not appear convinced, then proceed to:

THE FAITH BIT: "But you must have Faith! All is lost without Faith! I sure feel sorry for you if you don't have Faith." And then add:

THE ARGUMENT BY FEAR and in an ominous voice ask "Do you know what happens to those who deny Goddess?" If he hesitates, don't tell him that he will surely be reincarnated as a precious Mao Button and distributed to the poor in the Region of Thud (which would be a mean thing to say), just shake your head sadly and, while wiping a tear from your eye, go to:

THE FIRST CLAUSE PLOY wherein you point to all of the discord and confusion in the world and exclaim "Well who the hell do you think did all of this, wise guy?" If he says, "Nobody, just impersonal forces." then quickly respond with:

THE ARGUMENT BY SEMANTICAL GYMNASTICS and say that he is absolutely right, and that those impersonal forces are female and that Her name is ERIS. If he, wonder of wonders, still remains obstinate, then finally resort to:

THE FIGURATIVE SYMBOLISM DODGE and confide that sophisticated people like himself recognize that Eris is a Figurative Symbol for an Ineffable Metaphysical Reality and that The Erisian Movement is really more like a poem than like a science and that he is liable to be turned into a Precious Mao Button and Distributed to The Poor in The Region of Thud if he does not get hip. Then put him on your mailing list.

SINK is played by Discordians and people of much ilk.

PURPOSE: To sink object or an object or a thing... in water or mud or anything you; can sink something in.

RULES: Sinking is allowed in any manner. To date, ten pound chunks of mud were used to sink a tobacco can. It is preferable to have a pit of water or a hole to drop things in. But rivers - bays - gulfs - I dare say even oceans can be used.

URNS are taken thusly: who somever gets the junk up and in the air first.

DUTY: It shall be the duty of all persons playing "SINK" to help find more objects to sink, once; one object is sunk.

UPON SINKING: The sanked shall yell "I sank it!" or something equally as thoughtful.

NAMING OF OBJECTS is some times desirable. The object is named by the finder of such object and whoever sinks it can say for instance, "I sunk Columbus, Ohio."

THIS IS A CHAIN LETTER.

WITHIN THE NEXT FIFTY-FIVE DAYS YOU WILL RECEIVE THIRTY-ELEVEN HUNDRED POUNDS OF CHAINS!  
In the meantime - plant your seeds.

If a lot of people who receive this letter plant a few seeds and a lot of people receive this letter, then a lot of seeds will get planted.  
Plant you seeds.

In parks. On lots. Public flower beds. In remote places. At City Hall. Wherever. Whenever. Or start a plantation in your closet (but read up on it first for that). For casual planting, its best to soak them in water for a day and plant in a bunch of about 5, about half an inch deep. Don't worry much about weather, they know when the weather is wrong and will try to wait for nature. Don't soak them if its wintertime. Seeds are a very hearty life form and strongly desire to grow and flourish. But some of them need people's help to get started. Plant your seeds.

Make a few copies of this letter (5 would be nice) and send them to friends of yours. Try to mail to different cities and states, even different countries. If you would rather not, then please pass this copy on to someone and perhaps they would like to.

THERE IS NO TRUTH

to the legend that if you throw away a chain letter then all sorts of catastrophic, abominable, and outrageous disasters will happen. Except, of course, from your seed's point of view.

--Lord Omar

1. Ye have locked yerselves up in cages of fear--and, behold, do ye now complain that ye lack FREEDOM!
2. Ye have cast out yer brothers for devils and now complain ye, lamenting, that ye've been left to fight alone.
3. All Chaos was once yer kingdom; verily, held ye dominion over the entire Pentaverse, but today ye wax sore afraid in dark corners, nooks, and sink holes.
4. O how the darknesses do crowd up, one against the other, in ye hearts! What fear ye more that what ye have wroughten?
5. Verily, verily I say unto you, not all the Sinister Ministers of the Bavarian Illuminati, working together in multitudes, could so entwine the land with tribulation as have yer baseless warnings.

DESPITE strong evidence to the contrary, persistant rumor has it that it was Mr. Momomoto's brother who swallowed Mr. Momomoto in the summer of '74.

Dear Brother Mal-2,

In response to your request for unclassified agitprop to be inserted in the new edition of PRINCIPIA, hope the following will be of use. And please stop bothering us with your incessant letters!

Episkopos Mordecai, Keeper of the Notary Sojac, informs me that you are welcome to reveal that our oldest extant records show us to have been fully established in Atlantis, circa 18,000 B.C., under Kull, the galley slave who ascended to the Throne of Valusia. Revived by Pelias of Koth, circa 10,000 B.C. Possibly it was he who taught the inner-teachings to Conan of Cimmeria after Conan became King of Aquilonia. First brought to the western hemisphere by Conan and taught to Mayan priesthood (Conan is Quetzalcoatl). That was 4 Ahua, 8 Cumhu, Mayan date. Revived by Abdul Alhazred in his infamous Al Azif, circa 800 A.D. (Al Azif translated into Latin by Olaus Wormius, 1132 A.D., as The Necronomicon.) In 1090 A.D. was the founding of The Ismaelian Sect (Hashishim) by Hassan i Sabbah, with secret teachings based on Alhazred, Pelias and Kull. Founding of the Illuminated Ones of Bavaria, by Adam Weishaupt, on May 1, 1776. He based it on the others. Weishaupt brought it to the United States during the period that he was impersonating George Washington; and it was he who was the Man in Black who gave the design for The Great Seal to Jefferson in the garden that night. The Illuminated tradition is now, of course, in the hands of The Ancient Illuminated Seers of Bavaria (A.I.S.B.), headquartered here in the United States.

Our teachings are not, need I remind you, available for publication. No harm, though, in admitting that some of them can be found disguised in Joyce's Finnegan's Wake, Burroughs Nova Express, the King James translation of The Holy Bible (though not the Latin or Hebrew), and The Blue Book. Not to speak of Ben Franklin's private papers (!), but we are still supressing those.

Considering current developments--you know the ones I speak of--it has been decided to reveal a few more of our front organizations. Your publication is timely, so mention that in addition to the old fronts like the Masons, the Rothschild Banks, and the Federal Reserve System, we now have significant control of the Federal Bureau of Investigation (since Hoover died last year, but that is still secret), the Students for a Democratic Society, the Communist Party USA, the American Anarchist Assn., the Junior Chamber of Commerce, the Black Lotus Society, the Republican Party, the John Dillinger Died For You Society and the Camp Fire Girls. It is still useful to continue the sham of the Birchers that we are seeking world domination; so do not reveal that political and economic control was generally complete several generations ago and that we are just playing with the world for a while until civilization advances sufficiently for phase five.

MALIK to Mal-2 pg. 2

In fact you might still push Vennard's The Federal Reserve Hoax: "Since the Babylonian Captivity there has existed a determined, behind-the-scenes under-the-table, atheistic, satanic, anti-Christian force--worshippers of Mamon --whose undying purpose is world control through the control of Money. July 1, 1776 (correct that to May 1st, Vennard can't get anything right) the Serpent raised its head in the under-ground secret society known as The Illuminati, founded by Adam Weishaupt. There is considerable documentary evidence to prove all revolutions, wars, depressions, strikes and chaos stem from this source." Etc., etc., you know the stuff.

The general location of our US HQ, incidentally, has been nearly exposed; and so we will be moving for the first time this century (what a drag!). If you want, you can reveal that it is located deep in the labyrinth of sewers beneath Dealy Plaza in Dallas, and is presided over by The Dealy Lama. Inclosed are some plans for several new potential locations. Please review and add any comments you feel pertinent, especially regarding the Eristic propensity of the Pentagon site.

Oh, and we have some good news for you, Brother Mal! You know that Zambian cybernetics genius who joined us? Well, he has secretly co-ordinated the FBI computers with the Zurich System and our theoreticians are in ecstasy over the new information coming out. Look, if you people out there can keep from blowing yourselves up for only two more generations, then we will finally have it. After 20,000 years, Kull's dream will be realized! We can hardly believe it. But the outcome is certain, given the time. Our grandchildren, Mal! If civilization makes it through this crises, our grandchildren will live in a world of authentic freedom and authentic harmony and authentic satisfaction. I hope I'm alive to see it, Mal, success is in our grasp. Twenty thousand years....!

Ah, I get spaced just thinking about it. Good luck on the Principia.

## NONSENSE AS SALVATION

The human race will begin solving it's problems on the day that it ceases taking itself so seriously.

To that end, POEE proposes the countergame of NONSENSE AS SALVATION. Salvation from an ugly and barbarous existence that is the result of taking order so seriously and so seriously fearing contrary orders and disorder, that GAMES are taken as more important than LIFE; rather than taking LIFE AS THE ART OF PLAYING GAMES.

To this end, we propose that man develop his innate love for disorder, and play with The Goddess Eris. And know that it is a joyful play, and that thereby CAN BE REVOKED THE CURSE OF GREYFACE.

If you can master nonsense as well as you have already learned to master sense, then each will expose the other for what it is: absurdity. From that moment of illumination, a man begins to be free regardless of his surroundings. He becomes free to play order games and change them at will. He becomes free to play disorder games just for the hell of it. He becomes free to play neither or both. And as the master of his own games, he plays without fear, and therefore without frustration, and therefore with good will in his soul and love in his being.

And when men become free then mankind will be free.  
May you be free of The Curse of Greyface.  
May the Goddess put twinkles in your eyes.  
May you have the knowledge of a sage,  
and the wisdom of a child.  
Hail Eris.

THE LAST WORD

The foregoing document was revealed to Mal-2 by the Goddess Herself through many consultations with Her within his Pineal Gland. It is guaranteed to be the Word of Goddess. However, it is only fair to state that Goddess doesn't always say the same thing to each listener, and that other Episkoposes are sometimes told quite different things in their Revelations, which are also the Word of Goddess. Consequently, if you prefer a Discordian Sect other than POEE, then none of these Truths are binding, and it is a rotten shame that you have read all the way down to the very last word.

### INTERVIEW WITH NORTON CABAL

by Gypsie Skripto, Special Correspondent

It has been ten years since I met the mysterious Malaclypse the Younger. I was free lancing for the underground papers and went by POEE Head Temple at 555 Battery Street to try for an interview.

I found him in the Temple PO Box busy wrapping up the new Fourth Edition of Principia. He seemed impatient with me, insisting that he didn't have the time or inclination for foolish questions from reporters. Undaunted, I burst out with questions like whether he preferred Panama Red or Acapulco Gold and how the fuck did we manage to fit inside of a tiny post office box and other things apropos a naive young semiliterate dropout hippy writer. He asked me if I wanted to drop mescaline and fuck all night and said he knew how to turn himself into a unicorn and there might be room for a tiny interview on the cover of the Principia if I wanted to work for the Greater Poop so I said sure, OK, I've never dropped mescaline in a post office box before.

It turned out I was among the last to see Malaclypse. As subsequent issues of Greater Poop revealed, he was to disappear and POEE business was to be assumed by his students at Norton Cabal. Professor Ignatius P. Ignotius, Department of Comparative Realities, was assigned the Trust of the POEE Scruple and Rev. Dr. Occupant became Keeper of the Box. The newly published copies of Principia were distributed by Mad Malik, Block Disorganizer, who had distribution contacts with the Aluminum Bavariati. Practical relations remained in the hands of concept artist G. Hill.

When the 1000 Principias were gone the Greater Poop stopped publishing, Head Temple closed down and the Cabal just seemed to evaporate. Finally even the box was closed. But over the years I noticed that copies were still circulating, and that independent Discordian Cabals would occasionally pop out of nowhere (and still do). And I would wonder what ever happened to Malaclypse.

When I read the Illuminatus trilogy I resolved to again find and interview the denizens of Joshua Norton Cabal of the Discordian Society.

• • •

As I cabled over Nob to San Francisco's Station 'O' Post Office I couldn't help but wonder at Goddess' hand in assigning street addresses to Her outposts. Mal<sup>2</sup> had told me that Good Lord Omar always filed everything under "O" for Out Of File.

"Maya is marvelous" I was thinking when I rapped on the little metal door and was greeted warmly by a huge beard who introduced himself as Professor Ignotius. He ushered me into a spacious wood paneled and tapestry hung parlor where three others were laughing and passing around a wine jug. The sunny one in a tunic was the Reverend Doctor Occupant, the trim khaki and jeans was Mad Malik and the wine jug claimed to be Hill. I got the recorder on....

GYPSIE SKRIPTO [in response to a question]: ...1969 but only briefly. I guess I missed you guys.

MAD MALIK: No wonder, he was pretty much a one man show then. We were just his students and were usually off on errands. You worked for the Poop?

Gypsie: Well, for one night anyway. The interview is in the Principia.

REV. DR. OCCUPANT: Malik was the only one he would ever let write for the Poop or get on the letterhead.

Gypsie: Did you [Malik] have higher authority than the others?

Malik: No, [but I was allowed to speak in the Poop] because [Malaclypse the Younger] hated politics. He was infuriated with Johnson and Nixon over Viet Nam because it was turning the renaissance into a political revolution and was stealing his sacred thunder. So he trained me in Zenarchy, which he learned from Omar, and I was the official anarcho-pacifist for the Cabal. Also I was liaison to The Ancient Illuminated Seers of Bavaria, the Chicago Discordians. Later Omar activated the Hung Mung Cong Tong and ELF, on zenarchist principles, and also Operation Mindfuck. I was also into those. Though at that time I was masquerading in Greater Poop as a cremated cabbage to throw off the FBI.

Gypsie [to Hill]: Since you wrote it, I take it you are an anarchist?

G.H. HILL: Since then I have given up anarchy. Too many rules--hating the government and all that stuff.

IGNOTUM PER IGNOTIUS: It's like hating your own fantasies.

Malik: [Anarchy] is also standing up and proceeding forward, fantasy rule or not. The condition is the same.

Occupant: Brother needs some wine!

Malik: We have had this argument before, Reverend Doctor Brother. But wine before platitudes, fill it up.

Gypsie [to Hill]: And pacifism?

Hill: I'm not sure I ever was one. Mal<sup>2</sup> was not, Malik was. Personally I accepted self defense yet I could never reconcile that with the ideal. I finally gave up on that one too. Actually I just gave up on idealism.

Ignotius: Idealism lives with rules. Realism lives with rocks.

Hill: Yeah. I get along better with rocks.

Malik: Mal<sup>2</sup> once told me that pacifism was a dilemma. If everybody was a pacifist then everything would be perfect. But nobody is going to be a pacifist unless I am first. But if I am and somebody else is not, then I get screwed. He said that there were five choices under that circumstance. The first was napalming farmers and the second was executing your parents. The third was hypocrisy, the fourth was cowardice, and the fifth was to swallow the dilemma. Zenarchists are trained in dilemma swallowing.

Occupant: So are other Erisians, like POEE.

Ignotius: That is characteristic of the Discordian perspective.

Hill: But of course training contradicts Discordian principles.

Malik: Oh so what. Contradictions are nothing to Discordians.

Occupant: Dilemma, Schlimemma. [to Gypsie]: What do you think of this, pretty ma'am? We don't get to hear your thoughts.

Gypsie: I'm reporting now, you talk.

Occupant: Later then?

Gypsie: Perhaps. Later.

Occupant: You are smiling.

Gypsie: Hey, guy, later. [to Hill]: Doesn't this leave you a little schizy?

Hill: It's OK, I'm half Gemini.

Gypsie: What's the other half?

Hill: Taurus. That makes me stubborn schizy.

Ignatius: I'm a Whale.

Occupant: I choose Satyr.

Malik: Spirits don't have signs.

Hill: A character can have a sign if I want it so.

Occupant: Well I can have a sign if I want to and screw both of you.

Malik: Come on Greg, you just think that we are your characters....

Occupant: You were inhabited by Malaclypse the Younger. He caused you to create roles and those roles are being performed by us spirits.

Ignatius: A perfectly normal pagan relationship.

Hill: Well you can look at it like that if you want to, but I created Mal<sup>2</sup> to my specifications just as I conceived all the rest of you.

Occupant: You didn't invent Eris. She caused you to think you created the spirit of Malaclypse.

Hill: Oh bull! Besides, I changed her so much the Greeks would never recognize her.

Occupant: That's what She wanted!

Ignatius: Deities change things around all the time.

Malik: What you don't realize is that a spirit has a self identity.

Hill: Nope. A spirit is a product of definition and the one who is doing the defining around here is me. Your identity is what I say it is. Just to prove it, I'm going to change your name.

SINISTER DEXTER: It's OK with me. Fate is fate. I never much liked "Mad Malik" anyway.

Ignatius: Besides people confused him with Joe Malik in Illuminatus.

Dexter: I sort of enjoyed the confusion part.

Occupant: Doesn't prove anything anyway.

Gypsie: That name sounds familiar. Where is it from?

Hill: Its a name I came up with in the old days and never used much. Its on page 38 of the Principia referring to Vice President Spiro Agnew. I always thought I invented it but now it sounds like a Stan Freberg name now that I think about it. It may have stuck in my preconscious memory from early TV.

Gypsie: Can you use it without his permission?

Hill: If it is his? I don't know. I hope so. It means "left right" in Latin and is a perfect name for a libertarian anarchist. Actually in my kind of art the question of what can I use freely and what can I not is a very tricky problem.

Gypsie: How do you mean?

Hill: Well, take a collage for example. Like the early one on page 36 of the Principia. Each little piece was extracted from some larger work created by some other artist and published and maybe copyrighted. I find them in newspapers and magazines mostly. Often from ads. With a collage you select and extract from your environment and then assemble into an original relationship.

The Principia itself is a collage. A conceptual collage. All of it happens simultaneously. But visually it is a montage, passing through time, like a book does.

There is a lot of pirated stuff in the Principia, especially in the margins. But also I sympathize with artists who must own and sell their works to earn a living. Art, like knowledge, should be free fodder for everyone. But it isn't. It is perplexing.

Gypsie: Where did all the things in Principia come from?

Hill: Well, a full answer would take a whole book in itself. Most of the writing credited to a name is a true person and almost always a different name means a different person. Most of the non-credited, you know,

Malaclypse, text is mine although some things credited to either Mal<sup>2</sup> or Omar were actually co-written and passed back and forth and rewritten by each of us. The marginalia, dingbats and pasted in titles and heads and things came from wherever I found them--some of which is original but uncredited Discordian output, like the page head on 12 and other pages which is from a series of satiric memo pads from Our Peoples Underworld Cabal. All page layout is mine and some whole graphics like the Sacred Chao and the Hodge Podge Transformer are mine but mostly I just found stuff and integrated it. Mostly I did concept, say 50% of the writing, 10% of the graphics, all of the layout.

Gypsie: Specifically, what are some of the sources?

Hill: Well, the poem on the front cover is by Walt Kelly and was spoken by one of his characters in Pogo. The government seals starting on page 1 are from a book of sample seals from the U.S. Government Printing Office. Western Union on page 6 got into the act because I used to be a teletype operator and had access to blank forms. Rubber stamps came from all over the place and some, like the apple on page 27, I carved myself. A few I ordered to my specification, like on page 1. The quote on top of page 8 might be from Barnum, I'm not sure. The jumping man on page 12 is from an advertisement. I recognize the style--a popular commercial artist--but I don't know his name. The Chinese on that page is a grocery ad, I think. The Norton money on page 14 is historic, plus my little additions. The apple on page 17, as well as the triangle on 23 and the Sacred Chao on 50 are, believe it or not, pasteups from mimeographs, from Seattle Cabal. That group produced the best damn mimeography I've ever seen. The Lick Here Box on page 23 is one of many tidbits making the rounds in alternative/underground newspapers in those days. Trip 5 page header on 29 was a chapter title in one of Tim Leary's books. The Knight on the bull with the TV antenna on his helmet on page 46 came from a very artistic magazine called Horseshit and put out by two brothers from Long Beach. I don't remember their names. Wonderful magazine.

Occupant: Eris told Mal<sup>2</sup> what to use and where to find it.

Hill: Yeah, in a way that is right. That is why my name does not appear anywhere on the Principia and why it was published with a broken copyright--Reprint What You Like. I knew I was taking liberties and didn't want my intentions to be misunderstood. It was an experiment and was intended to be an underground work and that involves a different set of ethics than commercial work.

Gypsie: There are no real names at all?

Hill: Oh, some. Camden Benares is a real name because he legally changed his original name to his Holy Name. Also, instead of using Mordecai Malignatus I used Bob Wilson's real name on page 12 because Werewolf Bridge was a work before Discordianism. And of course real people like Neils Bohr crop up in quotes.

Gypsie: What do you think about the Principia now? Would you want to change it?

Hill: I consider it a successful work and I wouldn't want to change it. In some ways it is immature and I am not the same person I was 10 years ago, but it accomplished the objectives I set for myself and it has the effect I wanted it to have. There are a few errors though.

Gypsie: Like what?

Hill: Oh, I changed a quote from Tom Gnostic on page 61 and I don't think he ever did forgive me for it. He's right. Starbuck's Pebbles should have been preceded by the Myth of Starbuck which was being saved for something else and never got used. I should have used it when I had the chance. And then Eris did a neat little trick on me by having IBM make the Greek selectric typewriter element not coincide with all the characters on their keyboard. So the little "kallisti" that first appears on the title page and lastly on the back cover came out "kallixti" and I was too dumb to know the difference.

Gypsie: Will there ever be a Fifth Edition?

Hill: There already is a Fifth Edition, by Mal<sup>2</sup>. It is a one page telegram that reduces everything to an infinite aum. I found it at Western Union where a machine got stuck and kicked out hundreds of pages of nothing but m's. He made it the Fifth Edition and then left.

Principia/Malaclypse was a very personal work for me and actually took 10 years to culminate. It was one single statement that included my adolescence in the 50's and my young adulthood in the 60's. When I finally had the paste-ups done I knew that I had finished it. That is why, quote, Malaclypse left. I knew it was finished. I didn't know exactly what it was, but it was done.

Occupant: See?

Gypsie: Earlier you said that you met your objectives. Just what were those objectives?

Hill: Well, that's hard to answer because it kept refining itself over the years. In 1969 I mainly

thought of myself as a cosmic clown and I set out to prove, by demonstration, that a deity can be anything at all.

In other words, people invent gods and not the other way around. Later I decided that I was doing some kind of conceptual art.

In the 50's my culture taught me that I was created by and for a deity, a specific male deity, and that all other deities are FALSE. Yet my growing experience showed me that any deity is true in some sense and false in some other sense. So I set out to do what my society told me is impossible--make a real religion from a patently absurd deity.

In the 50's a female deity was blasphemy. In the 70's a humorous deity is still considered impossible, ridiculous and blasphemous. As far as I'm concerned, I have proven my point. Eris is a real deity and even though I don't promote Erisianism as a serious religion....

Occupant: I do!

Dexter: You speak for yourself.

Ignotius: Here, here.

Hill: ...I do point out that it makes just as much sense from its own perspective as all the others do from each of their own perspectives.

Occupant: I think paganism is a valid spiritual path. I encourage Erisianism because it makes fun of itself. I think this is healthy.

Ignotius: If you can live rewardingly with Goddess Eris you can live with any deity, including none or all.

Dexter: I don't much go for the worship business but I agree with Occupant about the spirit of the thing. We live in a time of turmoil, the whole planet is in a state of change. If we, as a species, cower from the confusion then we die with the dying. This is revolution.

Ignotius: I am an atheist myself. There is no Greg Hill.

[laughter]

Gypsie [to Hill]: What do you think of Illuminatus?

Hill: Oh, I love it. I was finishing Principia when Shea and Wilson were working on Illuminatus. It took

Dell five years to publish it...maybe that is significant. The 1969 Discordian Society was a mail network between independent writers of various kinds. Norton Cabal was just me and my characters and I used the other cabals as sort of a laboratory. In return other Discordanians would bounce their stuff off of me. We would toss in ideas and anybody could take anything out. It was a concept stew. The exchanging of ideas and techniques broadened and encouraged all of us.

I like Illuminatus for the surrealism. A very effective method of writing.

Ignotius: I got misquoted. Worse, I wasn't even in that scene and if I had been then I would have said something else.

Dexter [to Ignotius]: That was me in that scene.

Ignotius: Oh, is that what that was?

Dexter: He got our names mixed up.

Hill: He got mixed up about me too, in Cosmic Trigger. Bob says that when Oswald was buying the assassination rifle, my girlfriend was printing the first edition of Principia on Jim Garrison's Xerox. It wasn't my girl friend, it was Kerry's; it wasn't the First Ed Principia, it was some earlier Discordian thoughts; it wasn't Garrison's Xerox, it was his mimeograph; and it wasn't just before Kennedy was shot but a couple of years before that.\*

The First Ed Principia, by the way, was reproduced at Xerox Corp when xerography was a new technology. Which was my second New Orleans trip in 1965. I worked for a guy on Bourbon Street who was a Xerox salesman by day.

Dexter: I think that George Dorn took too much guff from Haghbard. If someone pulls a weapon on me, I'm more inclined to either leave or kill the sonofabitch.

Occupant: You are supposed to be a pacifist.

Dexter: I'm speaking figuratively of course. I'll tell you more tomorrow.

-----  
\* I checked this further with Mr. Thornley. He says that the woman in question was not his girlfriend, she was just a friend, and it wasn't a couple of years before Kennedy was shot but had to be a couple of years after (but before Garrison investigated Thornley). --GS

Gypsie [to Hill]: Did you really translate erotic Etruscan poetry?

Hill: Sure, but I used a pen name. I signed it "Robert Anton Wilson".

[A quick rap is heard on the door]

Gypsie: I have only one question left...

Dexter: I'll get it.

Gypsie: ...what I really want to know is how can we all fit inside of a tiny little post office box?

Dexter [to Gypsie]: It's a telegram for you, from Mal<sup>2</sup>.

Gypsie: To me?

[Paper tearing]

Gypsie [reading]: "If I told everybody how they could live inside of a post office box then everybody would stop paying landlords and go live inside their post office boxes. It would collapse the building! Can you imagine, post offices collapsing all over the country, the hemisphere, the PLANET! The whole world's communication system would be destroyed. No, no, I must not say. I dare not!"

## Official Discordian Blessing

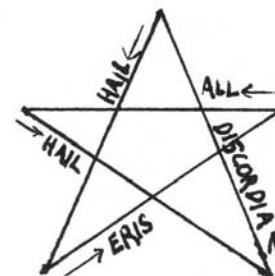

Ollave/Ophilia Cabel of the Church of Eris

This is the Official Discordian Blessing, which may only be performed by Officially Sanctioned POPES of the Church of Eris. Since everyone is an Officially Sanctioned POPE, approved by the House of Apostles of Eris, this means you and your family may spend meaningless hours of your time chaotically blessing whatever you please with our meaningful and inspirational blessing.

First, focus carefully on whatever it is you are blessing. Be careful, for there is a fine line between carefully focusing and maniacal obsession; keep it brief.

The next exercise is to form your hand into the familiar 'V' symbol, as described on page 00033. Then point said hand at above noted object.

Next, move your hand in a motion which carves out a star in the air. As you draw each side, recite the corresponding word in the holy phrase "Hail Eris! All Hail Discordia!". This will ensure that whatever is being blessed is in some way or another directly or indirectly associated with the Law of Fives.

STRONG EVIDENCE has persisted beyond the persistence of rumor, bringing us to the conclusion that it was ACTUALLY Mr. Momonoto's brother-in-law who ~~sukk~~ followed Mr. Momonoto, following the swallowing of his nose in late Summer of '44.

## GOURDFEST

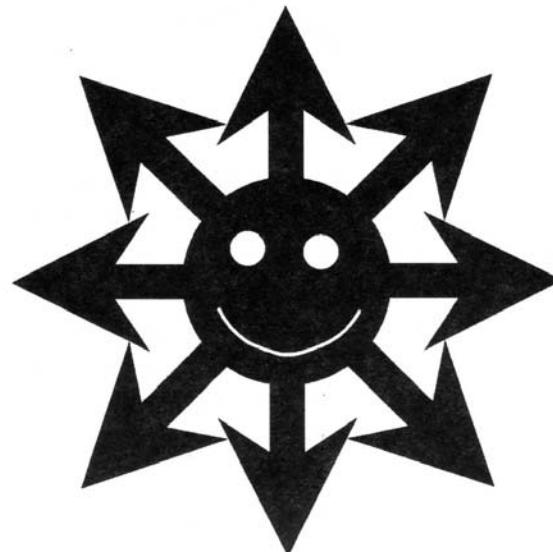

### A holiday of the Holy Knights of Discord

Gourdfest is a celebration of nothing in particular which is held at no set time (although it usually takes place when you can get a shitload of gourds). Gourdfest is a simple ceremony that can be performed by at least 5 Discordians and with 25 gourds ( $25/5=5$ ). Each gourd must be cut to hold at least one candle. Once the gourds are prepared place them on the ground so they form a large circle. When night falls, light all of the gourds and build a fire in the middle of the circle. Once the fire is burning and all of the candles are lit, everyone present must enter the circle and chant: Hunda-Howda-Hunda-Howda, GOURD! This is primarily to scare the neighbors.

The ceremony invokes the primal CHAOS in the surroundings, and causes a temporary, localized change in physical reality. Unfortunately, our human brains will ignore this change, so it will appear as though nothing has happened. If nothing seems to happen, then the ceremony was successful. If it starts raining cheese, you fucked up.

ONE DAY, I CAME UPON A MAN URINATING IN A BUS STATION. WHEN I CONFRONTED HIM ABOUT HIS ACTION, HE TURNED TO ME, WITHOUT STOPPING, AND SAID:

"KEEP IN MIND THAT SINCE THE UNIVERSE IS IN CONSTANT FLUX, NOTHING THAT OCCURS ONE MOMENT HAS ANY RELEVANCE TO ANYTHING ELSE. EVERYTHING YOU BELIEVE, FEEL OR THINK IS BASED ON THE FALSE ASSUMPTION THAT TRUTH EXISTS. THUS, YOU ARE FREE TO DO ANY ACTION WHICH BRINGS YOU PLEASURE. THAT HUMANITY FEELS CONSTRAINED BY MORALS IS ONE OF THE FUNNIEST JOKES I'VE EVER HEARD."

SO I BEAT THE SHIT OUT OF HIM AND TOOK HIS WALLET.

### NOCTURNAL REVELATION

A more or less true story  
by Fred McCann - Head Priest,  
Holy Knights of Discord

The first message I received from Goddess was in a dream. The dream took place in a room filled with people I'd never seen before. Some of these people left the room to enter another room, while the rest of the crowd was not allowed to pass. I asked one man why this was so, but he did not answer. Then I saw a strange sign on the wall which had a picture of a broken walnut and said: THAT WHICH BINDS US TOGETHER LIKE A NUTSHELL COUNTS ONLY AS ONE ACT. When I woke up, I remembered these words, but I knew not their meaning.

That day, I asked the wise Domber what it meant. Maybe it was a message about war, or racism, or protein. I questioned frantically until the wise Domber spoke. "Sometimes Goddess likes to fuck with your mind." And so we were both enlightened.

There is a difference

- 15) Your phone will ring. Ask for John Lennon. A voice will reply, "**The Walrus was Paul.**" You reply, "**Paul is dead.**" You will then be put on hold. Whatever you do, **for God's sake don't hang up! It could be extremely dangerous.**
- 16) A hollow, inflectionless, rather mechanical voice will come on the line and ask for your date of birth and favorite color. ***Do not answer truthfully.*** (Ignore the odd clicks and static while this information is being processed.)
- 17) You will be issued a **10-digit Universal Access Code.** Write it down quickly, it **will not be repeated.**
- 18) Using your **Universal Access Code**, dial your own number. A voice will answer and ask for John Lennon. You say, "**The Walrus was Paul.**" The voice will reply, "**Paul is dead.**" Put the line on hold.
- 19) After a few minutes, imitate a hollow, inflectionless, rather mechanical-sounding voice and ask for date of birth and favorite color. Tap the receiver and crinkle cellophane paper nearby to imitate a few seconds of static. **Then rattle off a 10-digit number and hang up.**

for the Discordian and stupid alike.

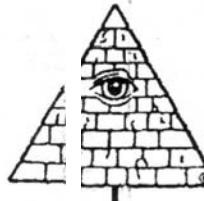

- Write a letter to Oscar Meyer, Inc., telling them which film should win Best Picture.
- Go to a local City or Town Meeting, and demand to see their leader. When they say, "The Mayor is sitting right here!" cry out, "No, dammit! I want to see the GIANT ANT who tells him what to do!"
- Make a portable, collapsible Four-Square Court out of duct tape. Take it to the center of a nearby shopping mall and begin playing.
- Begin distributing chain-letters, asking people to send \$1 to each of ten people on an included list. All people on the list should be high-school principals, respected attorneys, doctors, and politicians, and nationally syndicated journalists.
- Quote television commercials during job interviews, while pulled over for speeding, or while standing in a crowded elevator. Bonus point: make up commercials and products to use in your quotes.
- Collect cliches. I put mine in a jar with formaldehyde, and then pin them on a board. Be sure to note when and where you collected them.
- Pretend to have an extra hand. Try to pick up objects with it. Everyone knows about left and right hands; try to name a new direction for your new hand. Bonus point: during heavy traffic make a turn in the direction of your new hand. Be sure to signal.

Designed by the Reverend DM Psiqosys

LET IT BE KNOWN that this Mass contains mystical secrets of an order previously unknown to this piece of paper.

LET IT BE KNOWN that this Mass is of the Highest Order and the Inner Circle and the Upper Echelon, and as such should be reproduced in full or in part only by those who wish to do so.

LET IT BE KNOWN that this Mass may be performed by five persons, provided those five persons are willing to perform. The five officiating ritualists are referred to by the following titles: High Holy Boss of Religion, Great Overseer of Forbidden Arcana, Omnipotent Matriarch/Patriarch of The Mystic Realms, Most Divine Empirical Pedagogical Wizard, and Head Enchilada of Miscellany. Collectively, the five officiating ritualists are second in power only to Goddess Herself, or to any members of the congregation present at the Mass. To save space, the five officiating ritualists shall henceforth be referred to as simply #1, #2, etc.

## ACT I: The Climactic Sacrament of Ecstatic Communion

(All members of the congregation mob around the altar and receive communion of orange juice, dispensed by #2, and donuts (preferably jelly), dispensed by #3. As each congregant receives their portion of the Hostess, they should place their minds into a meditative state by thinking impure thoughts about Goddess, or another member of the congregation.)

#5: And Goddess spake: "And when you, my children, have wandered through the night and grown hungry, you shall behold the holy beacon of the donut shop, wherein thou shalt consume donuts in my name."

#4: "And you shall fear not the cops and drunkards which abound at such all-night eateries, for they too seek my glory, though they find it not solely through the rites of eating donuts."

#1: "But you, my children, have beheld the mysteries of the Golden Apple, and quaffed the pleasant-tasting syrup which flows from within."

#5: "For the uninitiated shall not know the full meaning of ΚΑΛΛΙΣΤΙ, for they do not understand Greek!"

#4: "And if you, my child, understand Greek, make sure you use some (ahem) protection!"

(Officials may ad-lib further, or simply remain silent, depending on how ugly the crowd gets, until everyone has taken communion.)

# Afterword: Eris Forever!

The greatest tribute anyone can pay to a book is to share it. Okay, we did that. We all hope you liked it. If not, please give it to someone who has a life.

And if you *did* like it, it's your turn to share. Show this book to someone who has a life . . . or needs one . . . and watch them like a hawk until they give it back.

And if you want more wisdom from the Blessed of Eris, check this stuff out. (Note: This is the 2004 version of the bibliography. We'll update it occasionally and keep it available on our website: [www.sjgames.com/principia/biblio](http://www.sjgames.com/principia/biblio) . . . with hotlinks. So come visit us. The Web is a marvelous place.)

## **The Principia Online**

You can find online versions of the *Principia* at <http://www-2.cs.cmu.edu/~tilt/principia/> and [www.principiadiscordia.com](http://www.principiadiscordia.com). Both of these sites have many other links.

## **Professional Resources for Weirdness**

*The Church of the SubGenius* publishes all sorts of slackful STUFF. Not for the faint of mind (your heart has nothing to do with this). [www.subgenius.com](http://www.subgenius.com).

*The Book of the SubGenius*. Written by the SubGenius Foundation, under the guidance of "Bob" Dobbs himself, revised in 1979 by Dr. Philo U. Drummond and the Rev. Ivan Stang. Published by McGraw-Hill, and at this writing available from the SubGenius website listed above. This is the veritable "bible" of the Church of the SubGenius, containing more Slack, Secret Wisdom, and damn silly lies and bullshit than anything not directly inspired by Eris herself. No, "Bob" isn't Eris, but they're good friends.

And we're rather proud of the *Rant Generator* we did for SubGeniuses everywhere. It's on the SJ Games site at [www.sjgames.com/inwo/subgenius/rant.html](http://www.sjgames.com/inwo/subgenius/rant.html).

*High Weirdness by Mail*. Compiled by the Rev. Ivan Stang. Published by Simon & Schuster. Sadly, it hasn't been updated since 1988, but it's still available. The introduction styles this book "A directory of the fringe – mad prophets, crackpots, kooks, and true visionaries." It's a collection of stuff that you

can get by mail order. Some is harmlessly weird (rubber dinosaurs, media souvenirs). Some is viciously weird (KKK and similar groups). Some is incomprehensibly weird. And some is Slack Incarnate. It's up to you to figure out which is which. Sadly, it hasn't been updated since 1988, but it's still available, and much of the info is still valid, though of course there are no URLs . . .

*Loompanics Unlimited* calls itself "The Best Book Catalog in the World." Publishers of the first mass edition of the *Principia*. The main criterion for inclusion in their catalog seems to be unacceptability by modern bookstore standards. If something is too weird, illegal, immoral, fattening, racist, Communist, or flat-out incomprehensible for any "reputable" dealer to handle, Loompanics will exercise its Constitutional right to print it, or buy it from the people who printed it, and sell it to you. Tax avoidance, fringe philosophy, assassination methods, sex techniques, revisionist history, hostile practical jokes . . . and much more. [www.loompanics.com](http://www.loompanics.com).

*Archie McPhee* has a wonderful catalog of THINGS . . . plastic flamingos, Chinese Hell Money, rubber cockroaches, snakes, and lobsters, Wall Walkers, pirate stuff (arrrr!), and all the other weird, kitschy things that nobody should be without. [www.mcphee.com](http://www.mcphee.com).

*Klutz Press* was originally a juggling equipment company. They've branched out into neat stuff . . . mind-opening toys far too good to leave to the kids. [www.klutz.com](http://www.klutz.com).

*Boing Boing* is "A Directory of Wonderful Things." Originally a paper zine, it's now a website. Punk-futurist criticism, commentary, fiction, news, constant web pointers, and fnord. [www.boingboing.net](http://www.boingboing.net).

## **Of The People, By The People, Fnord The People**

*The Emperor Norton Utilities* is a collection of bizarre, Eristic, and slackful software. One compilation of the Utilities can be found at <http://yoyo.cc.monash.edu.au/~acb/norton/>.

Usenet newsgroups for This Sort Of Stuff (tm) include alt.discordia and alt.slack. If you don't know what Usenet is, never mind. Don't worry about it. It's all right, honest. Fnord.
